ARTHUR HILL HIGH SCHOOL

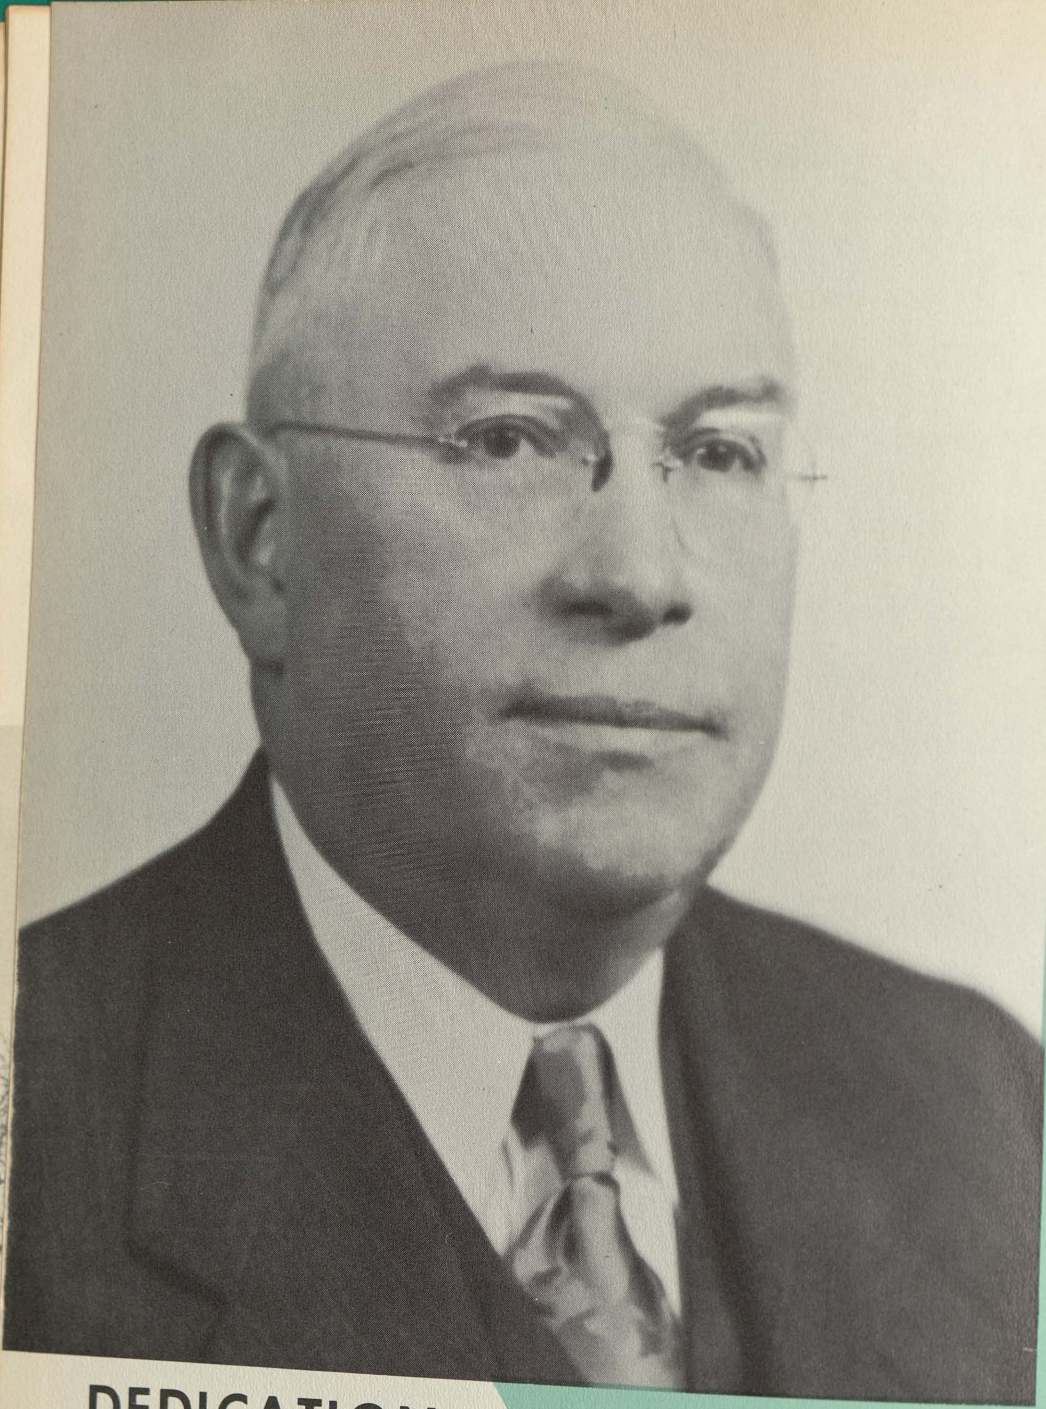
HOYT
AUG 5 1957



DEDICATION

We dedicate the 1957 **Legenda** to Chester F. Miller who served as superintendent of the Saginaw public schools for twenty-eight years. His retirement in July, 1956, ended a successful career of educational leadership. We sincerely and gratefully express our thanks and appreciation to him.

Arthur Hill High School and Saginaw High School are monuments to his foresight and planning as both were built under his supervision. Ten other schools in Saginaw: Eddy Junior High, Nelle Haley, Elm, Martha Longstreet, Jessie Rouse, Handley, Morley, Fuerbringer, Potter, Jessie Loomis, plus numerous additions, are evidence of his accomplishments.

Typical of his response to the interests and needs of youth in this community was his cooperation in raising money through a special bond issue to build the Arthur Hill Swimming Pool which became a reality this year.

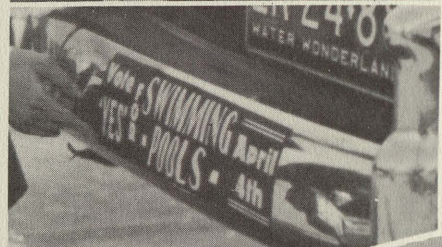
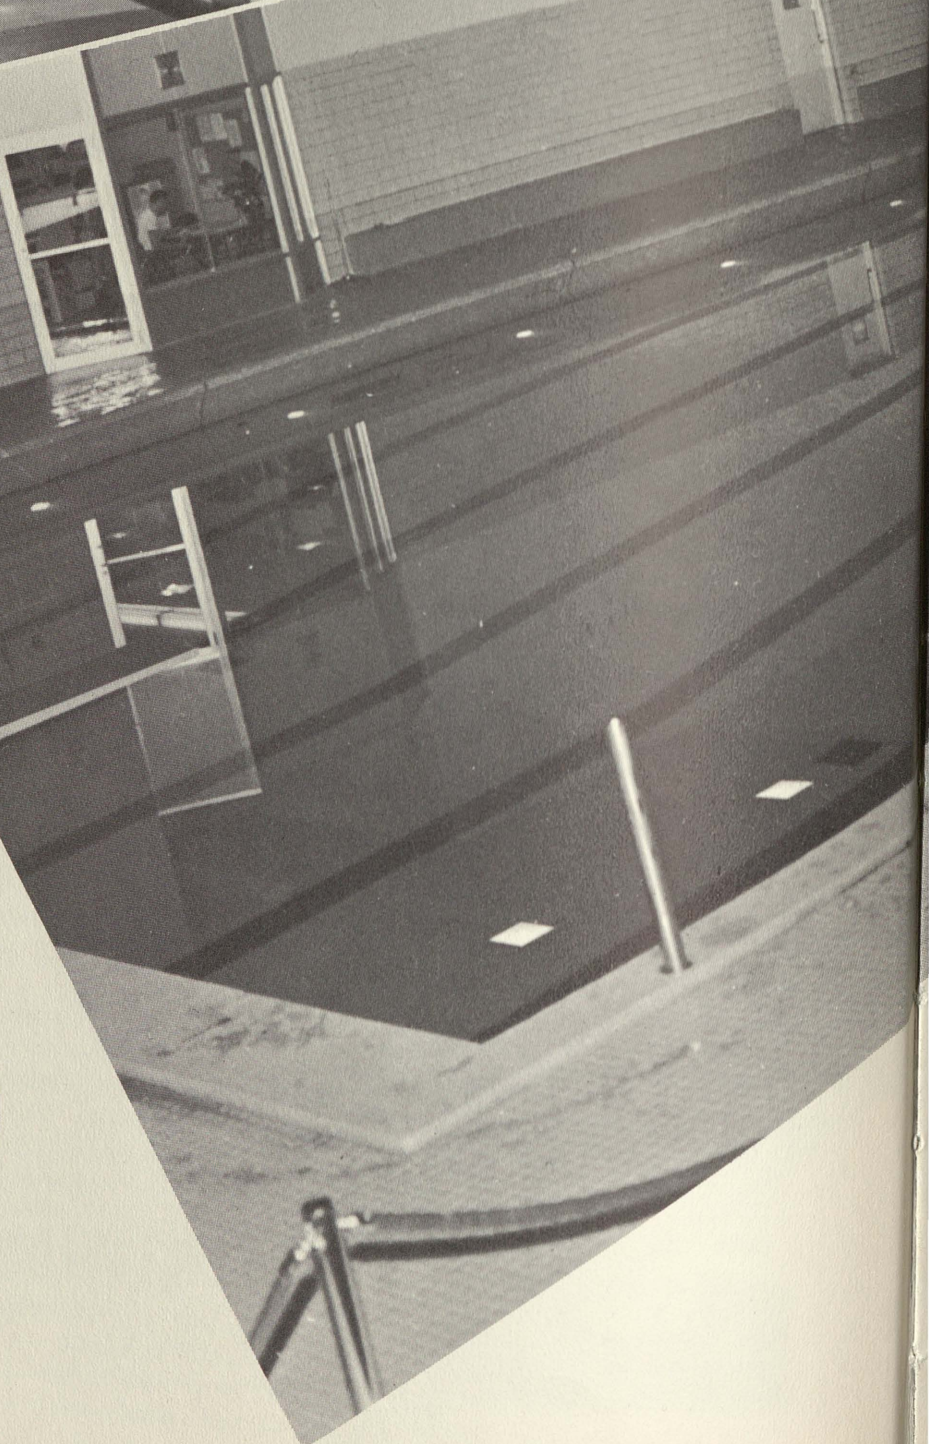
A DREAM......

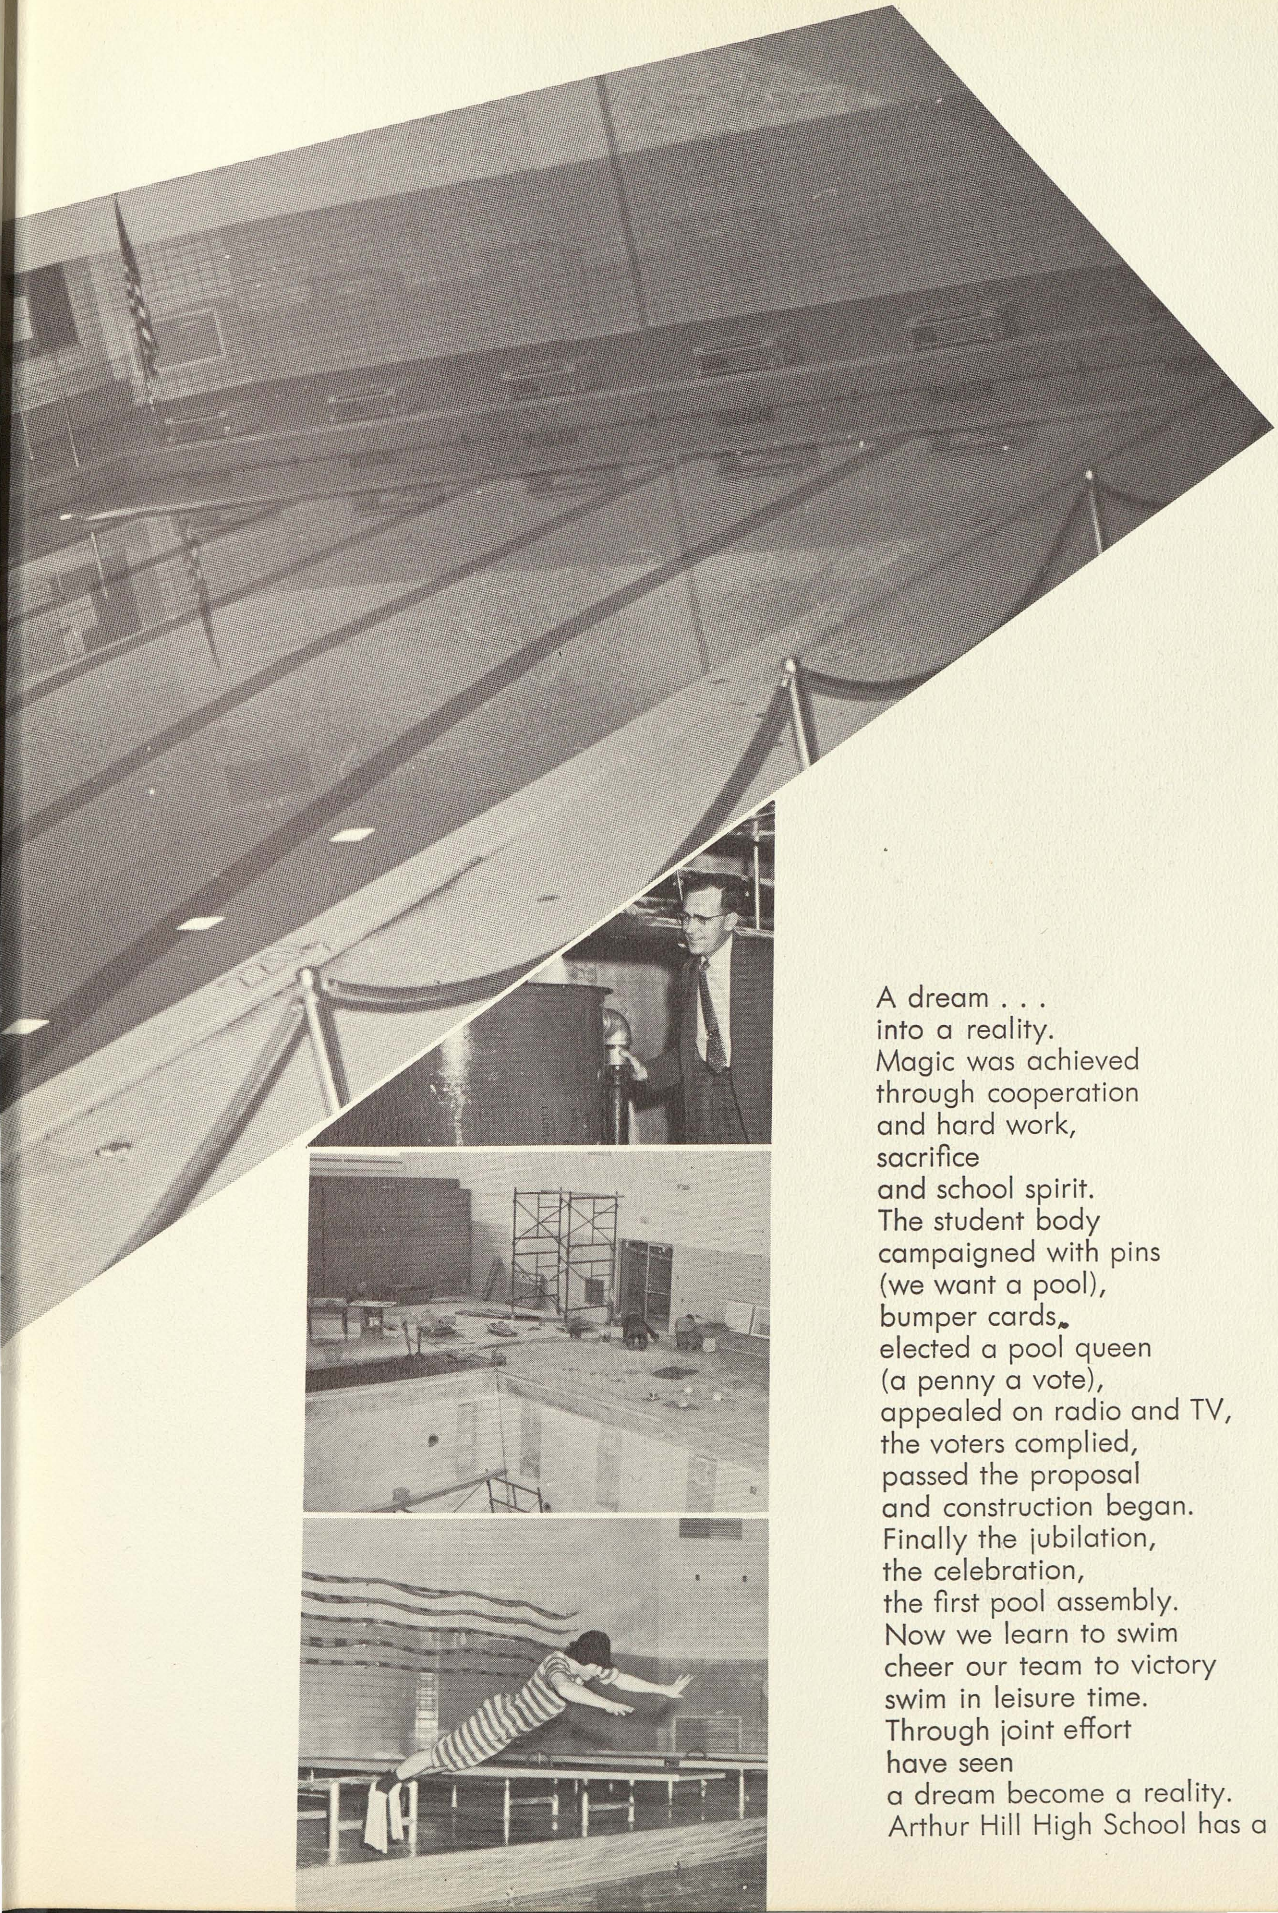
AHHS
WANTS A POOL



WATER WONDERLAND
Vote YES for SWIMMING POOLS April 4th



INTO A REALITY



A dream . . .
into a reality.
Magic was achieved
through cooperation
and hard work,
sacrifice
and school spirit.
The student body
campaigned with pins
(we want a pool),
bumper cards,
elected a pool queen
(a penny a vote),
appealed on radio and TV,
the voters complied,
passed the proposal
and construction began.
Finally the jubilation,
the celebration,
the first pool assembly.
Now we learn to swim
cheer our team to victory
swim in leisure time.
Through joint effort
have seen
a dream become a reality.
Arthur Hill High School has a pool!

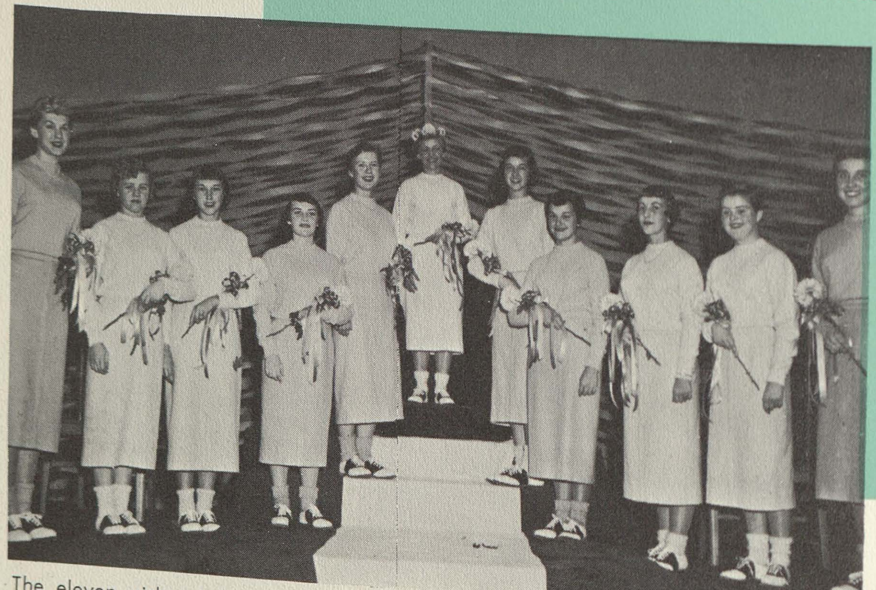
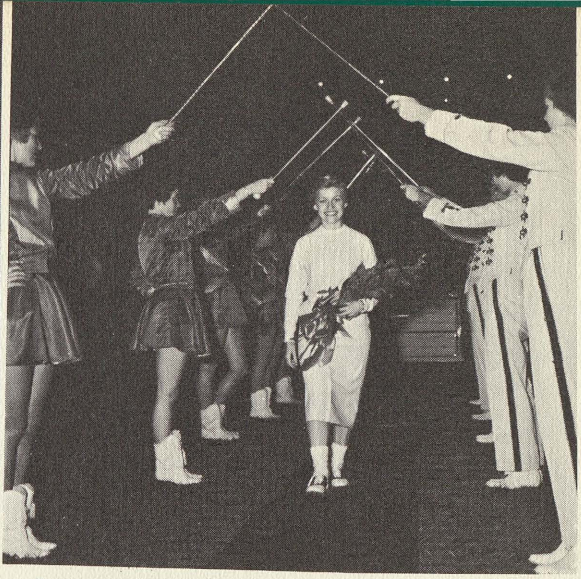
HOMECOMING A REGAL OCCASION

Homecoming is one of the most thrilling traditions at Arthur Hill. On these two pages we shall follow the queen and her court through the actiivties from the election to the dance at night. They are honored at an assembly, football game with Flint Northern School, and a dance. The audiences at these events are made up of present students and alumni, old and not so old, who remember their Homecoming.

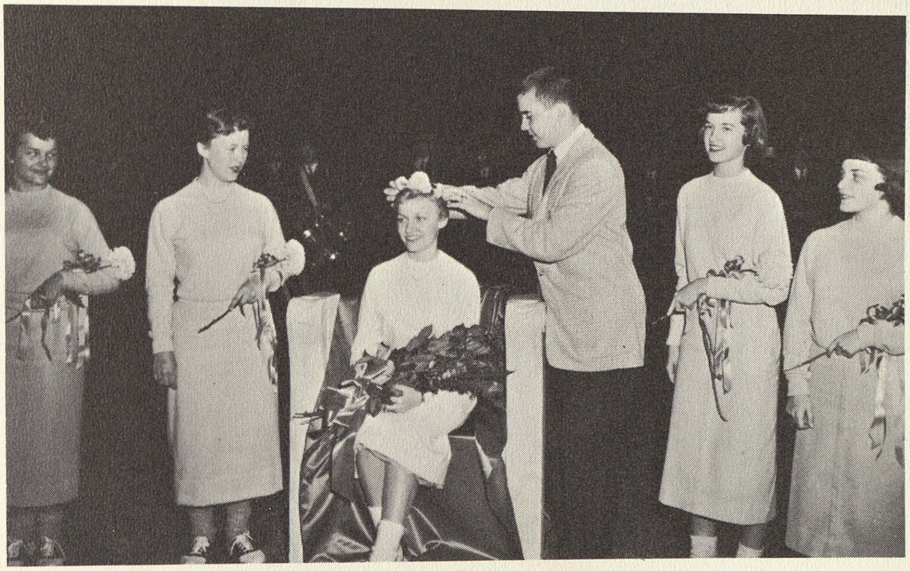


The eleven girls who were chosen by the student body to reign over the Homecoming festivities are Nancy Schreiner, Ann Guttridge, Marcia Rosenberg, Judy Lurie, Elynor Kazuk, Queen Karen Pankonin, Donna Wruck, Virginia Anderson, Judy Gossett, Roberta Stormont, and Judy Moeller.

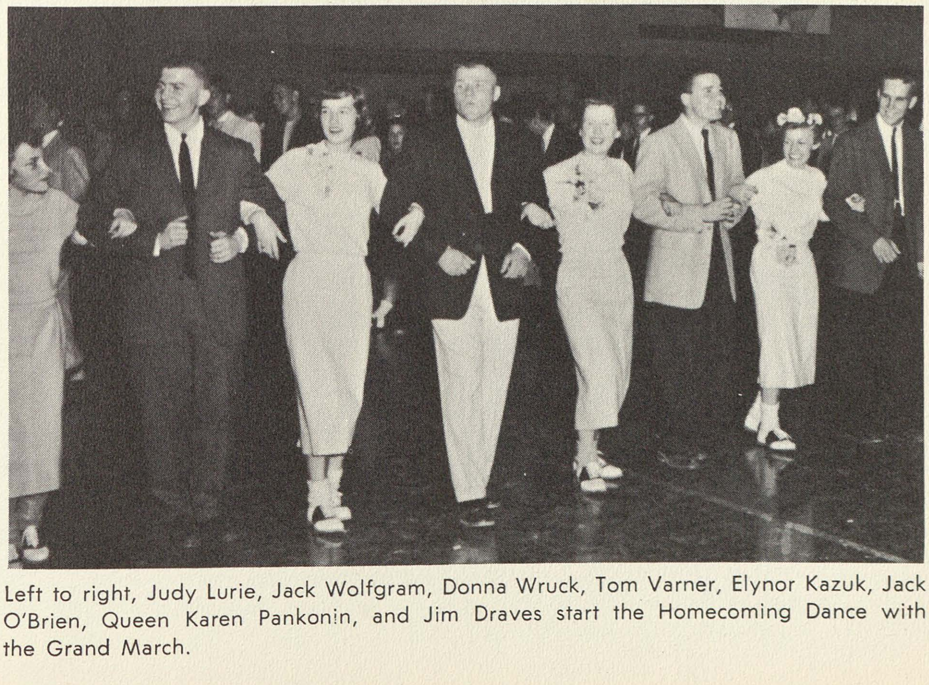
Ted Grigg helps our as yet uncrowned queen onto the field to be honored by the crowd.



Queen Karen looked very regal as she walked onto the football field under the drum majorettes' arched batons to be crowned.



As the crown was placed on her head, symbolizing her royal station, her court looked on with awe.



Left to right, Judy Lurie, Jack Wolfgram, Donna Wruck, Tom Varner, Elynor Kazuk, Jack O'Brien, Queen Karen Pankonin, and Jim Draves start the Homecoming Dance with the Grand March.

Our varsity girl cheerleaders, Ann Guttridge, Jacquie Humphrey, Lee Ann Seidel, Shirley Ward, Janet Inman, Marilyn Hart, and Elynor Kazuk show off the new costumes they got this year.

Ross Seymore, John Bommarito, Guy Moretti, Tom Thompson, Bob Tarte and Don Callison gathered the gargantuan heap of lumber for our bon fire.

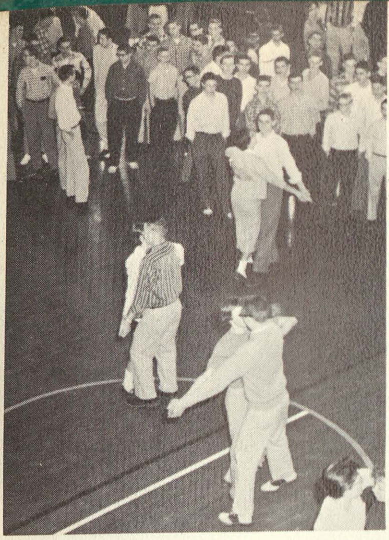
SCHOOL SPIRIT

The boy cheerleaders are Jack Hegenauer, Don Hover, Carey Chappell and Jerry Tenny.

"And the band plays on" — as the Arthur Hill Pep Band comes blaring out of the Pep assembly, bewildered Hillites dutifully step aside.

The officers of the Pep Club, elected by the student body and presiding over the pep assemblies under the direction of Miss McBride, are Jack O'Brien, secretary, Ann Guttridge, treasurer, Don Callison, president, and Jim Douglas, vice-president.

The members of the Big 14 plan the Club Hillite dances that are held after the basketball games. This year's members are: back row, Gary Murphy, co-chairman, Jerry Bailey, Jim Cole, Mr. Light sponsor, John Wolf, Jim Draves; sitting, Judy Moeller, co-chairman, Janet Inman, Shirley Ward, Bobbie Stormont, Kathy McCulloch and Marcia Rosenberg.



Dancing to the music of records at Noon Club is a good way to spend your extra time during lunch hour.

RUNS HIGH

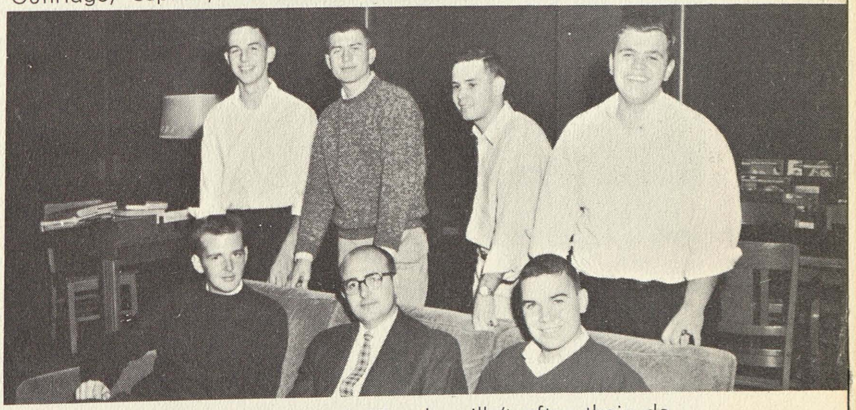
HERE
G.S.O.
THIS IS IT!

Jim Jerome and Bob Tarte campaign for the Boys' during "operation chick".

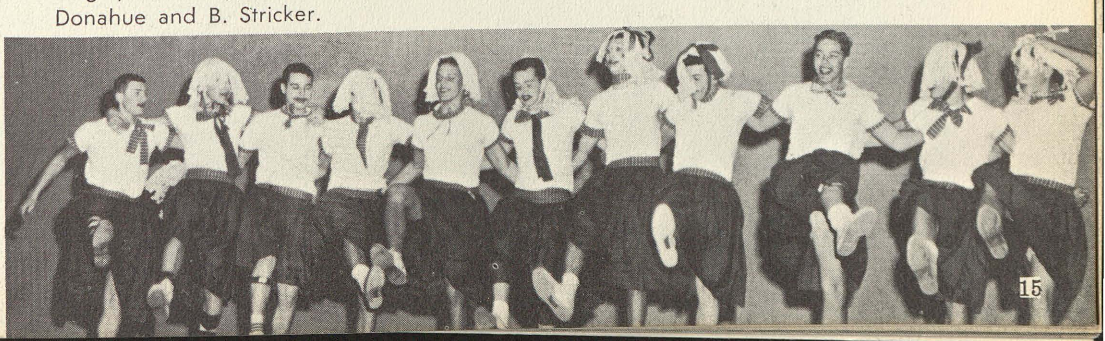
Gary Murphy, Marcia Rosenburg, Judy Lambert, and Don Callison comprise the committee which plans and organizes the Noon Club.

These are the girls who led the "femme fatale" team to victory over the boys again this year in the S. O. Campaign. Left to right: Elynor Kazuk, Carol Milne, Mary Kay Spadafore, Ann Guttridge, Captain, Sue Schaberg, and Miss Marilyn McBride,

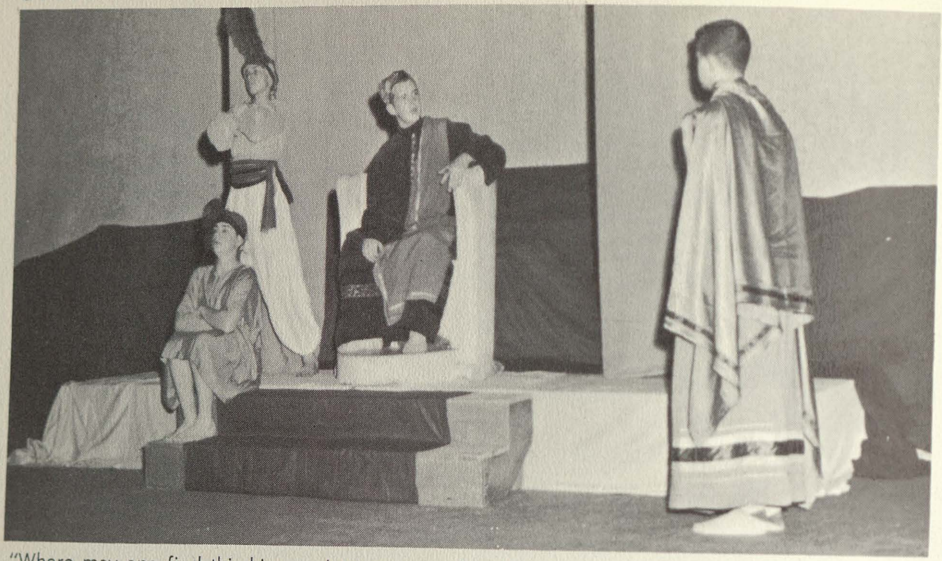


These are the lone survivors of "Grueberville" after their defeat by the girls. Standing left to right are: Tom Bear, Jack Wolfgram, Bob Tarte, and Jimmy Douglas. Sitting are: Don Callison, captain, Mr. Ralph Grueber, faculty advisor, and Jack O'Brien.

The defeated boys who are kicking up a storm in the chorus line are J. Wolfgram, B. Nagle, P. Whaley, P. List, J. Rifenberg, D. Callison, J. Ahlborn, G. Bell, R. Huebner, J. Donahue and B. Stricker.



CHRISTMAS PAGEANT

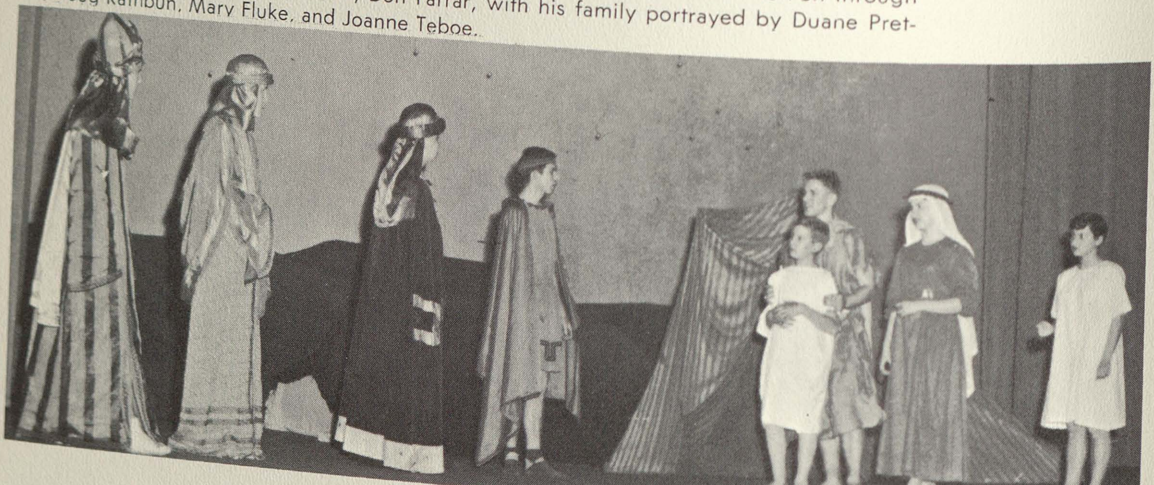


"Where may one find this king so I toomay worship Him?" King Herod, Don Callison, asks of Brooks Solterman who was the minister. The palace is guarded by Robert Omes and Harold Rowell.

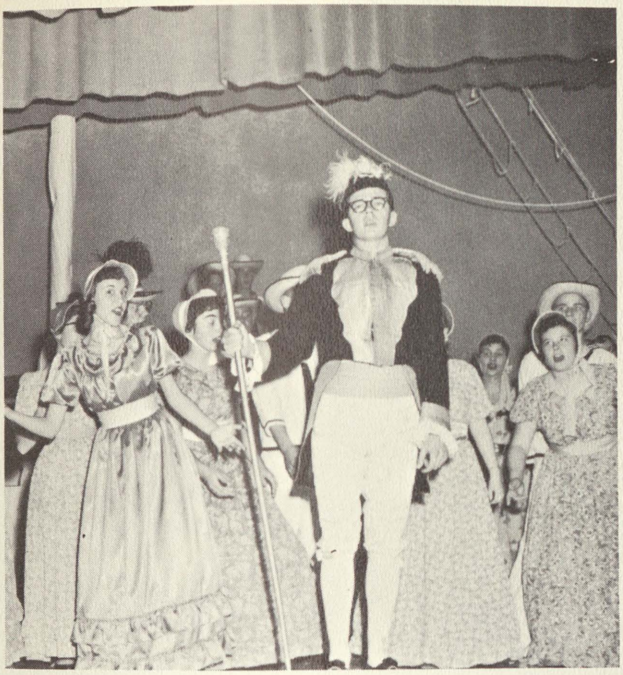
MR. SCHUBERT DIRECTS

Mary and Joseph, portrayed by Elynor Kazuk and Ralph Stingel, worship their newborn son, Jesus.

The three wise men, Jamie Mark, Donald Oltz, and Jack O'Brien, witness a reunion through the providence of God, of Demetrius, Don Farrar, with his family portrayed by Duane Pretzer, Doug Rathbun, Mary Fluke, and Joanne Teboe.



H.M.S. PINAFORE



"Brothers, sisters, cousins, and aunts", Janice Engel sings to Tim McCulloch of his many relatives.

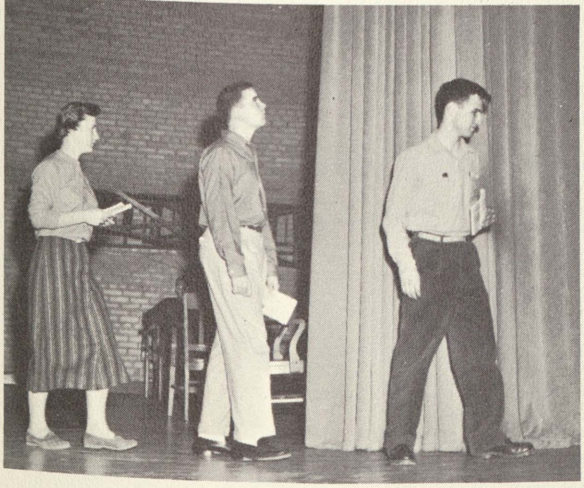
Herb Benjamin tells Janet Gage of his love in a dramatic scene of the operetta H. M. S. Pinafore.

AT ARTHUR HILL WITH VETERAN SKILL

Mr. Stanley D. Schubert has been directing plays at Arthur Hill for many years now. As students who have worked under him know he spares neither himself nor the cast in shaping a performance to meet his ideal of perfection. His Christmas Pageant which is offered to the public as a community Christmas gift is always a truly lovely and inspiring sight. The semester plays this year were H.M.S. Pinafore and One Foot in Heaven. There is no dramatics class at Arthur Hill and students and Mr. Schubert spend hours and hours outside of school on rehearsals.

ONE FOOT IN HEAVEN

During a practice of 'One Foot in Heaven" Ellie Kazuk, Jack O'Brien, and Don Proux rehearse their lines.



Buttercup, Mary Beth Howard, counsels Captain Don Proux on the love affair of his daughter.

The tables were turned as Mr. Grueber tried to remove Bruce Harlan from the audience at the swimming assembly.

ASSEMBLIES

ENTERTAIN US

"All that lives must die, passing through nature to eternity", Tom Varner, Claudius, Janice Rock, Queen Gertrude, tell Hamlet, Charles Barr, that everyone must die and to forget his father's death.

Ron Stork describes the perfect cow, as compared to the farm yard animal we see, at the F.F.A. assembly.

Playing for the Club Hillite dances and at their annual assembly is the Arthur Hill Dance Band of T. Lepley, B. McKay, J. Mark, leader, J. Douglas, D. Markham, C. Vacik, T. Lentner, T. Mitchell, B. Rupprecht, G. Frazer, T. Vitek, B. Wallace, and B. Solterman.

CLASS PARTIES

Leading the "grand march" at the Sophomore party are Joan Nash and Tom Lafferty. This is the first party to be attended by the sophomore class.

The Junior Prom, an "Evening in Paris", with music provided by the "Five Jacks" was a dance to remember.

Partygoers Jim Schadt, Jan Sieland, Karen Krogman, and Ron Martin take time out for refreshment served by Karen Pankonin, Jim Draves, and Jim Cole.

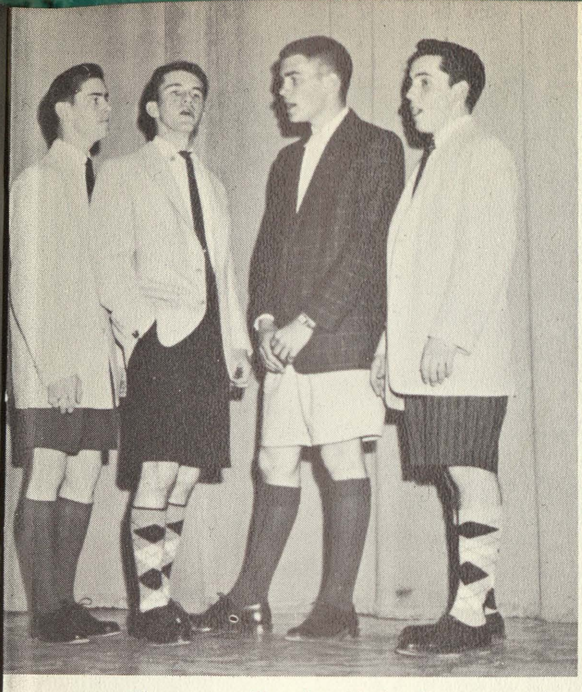
Eyes right! Our toy soldier chorus line rehearsed nightly after school to acquire that Rockette-like precision. They are: left to right, K. LaVere, S. Gilbert, J. Rapp, N. Kerns, S. Mann, E. Kazuk, S. Durham, M. Whalin, M. Engle. Back to front, J. Wanbaugh, J. Izzo, P. Kirchner, J. Humphrey, M. Hart, R. King, A. Guttridge, and B. Habel.

"Wanted: Three men!" This was the sa lament of Pat, Nadara, and Darlen Thiede.

1 9 5 6 BAND BOUNCE

A high-stepping chorus line in dashing red and white soldier regalia . . . a dreamy waltz line in flowing white costumes with pastel lights upon them . . . a fads and fashions style show with attractive boy models . . . combined choirs of two hundred voices . . . the fabulous Arthur Hill Dance Band to put one in a celestial mood . . .all these and more thrilled and amazed the people of Saginaw as they made their annual pilgrimage to the Arthur Hill Band Bounce, April 26 and 27, 1956. The students were ably assisted in this production by the teacher directors Mr. Earl Burnett, Miss Rachel McMillan, Miss Marilyn McBride, and Mr. Stanley Schubert.

Nancy Crinzi added zest to the show with her solo specialty, much to the delight of the audience.



The Lost Chords, Herb Benjamin, Jim Grinnel, Mike Robson, and John Ahrens, are straight from Bermuda to you!

Jackie Floeter, Mary Lu Townley, Carol Beeker, Collen Overton and Lois Karls, these rather diabolic angels, did a very amusing parody of "Swing Low, Sweet Chariot."

GALA AFFAIR FOR STUDENTS

Jack and Jill Hegenauer gave a spectacular performance before a gypsy campfire and assembled gypsies: Marlene Hatch, Pat Day, Marjorie Pries, Karen Tefft, Kay Miller and Connie Roush.

1957 seniors excitedly pick up caps and gowns in preparation for their big week.

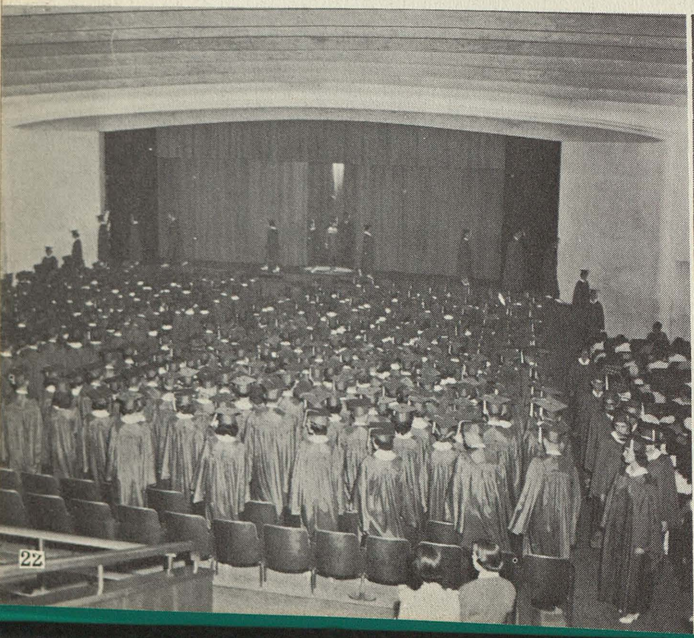
Seniors quickly don the traditional attire and look around to see if all their friends look as grown up as they hope they do.

Jerry Bailey, Connie Roush, Sue Symons, Jim Draves, and Chet Fobear sit on the seat in front of the school to discuss their plans for college and careers.

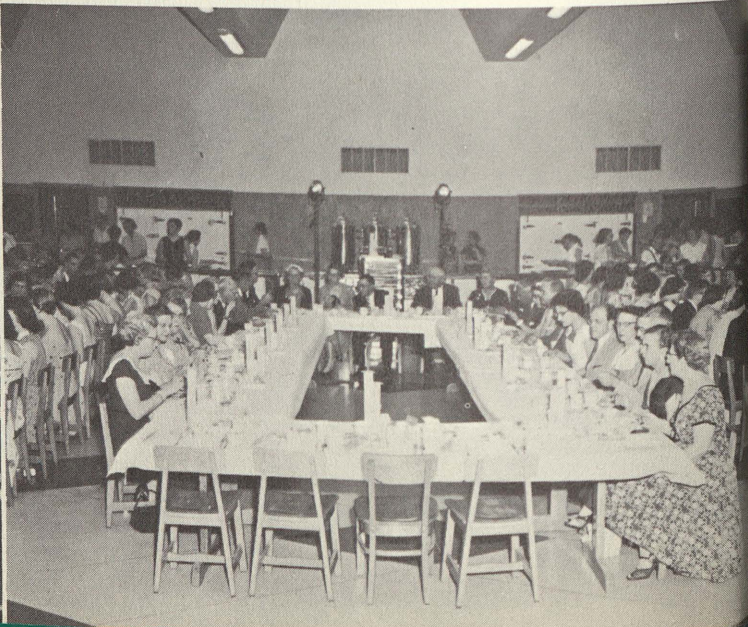
SENIORS IN WHIRL

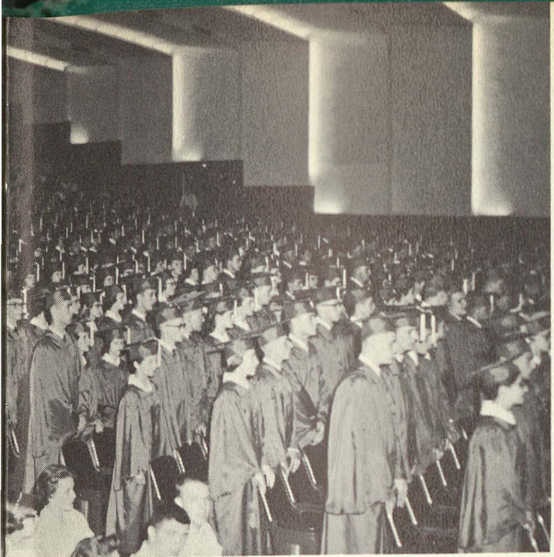
The people you see on these pages were the upperclassmen—the leaders and organizers at Arthur Hill. In the years past they observed others and eagerly awaited the time when they could take such an active part in the running of Arthur Hill. This year it was their turn, and they lived up to the standards expected of them in doing an excellent job. They made successes of everything they took part in—the clubs, plays, dinners and dances. This year's seniors are now ready to deal with the larger, more difficult questions the world will put to them.

At the Senior Assembly impressive Arthur Hill tradition seniors take a fast look into the future.



Members of the Board of Education and the faculty sit at the center table—and the center of activities at the Senior Dinner.

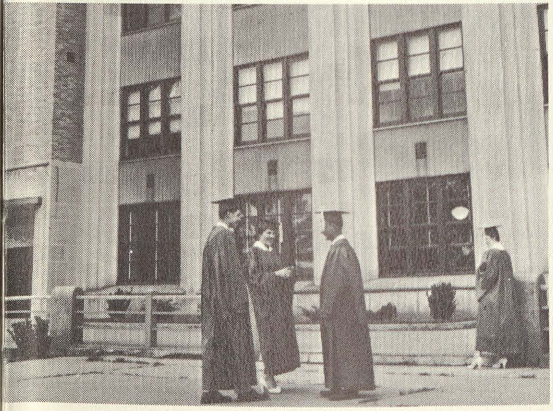




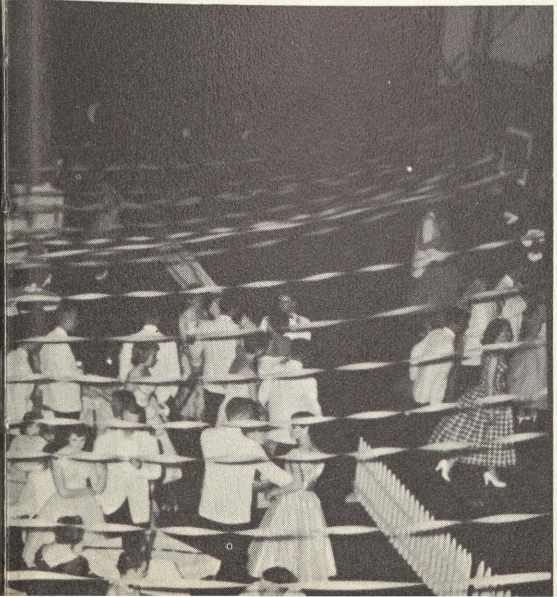
As the outgoing upperclassmen, during Baccalaureate they listen to words of advice . . .

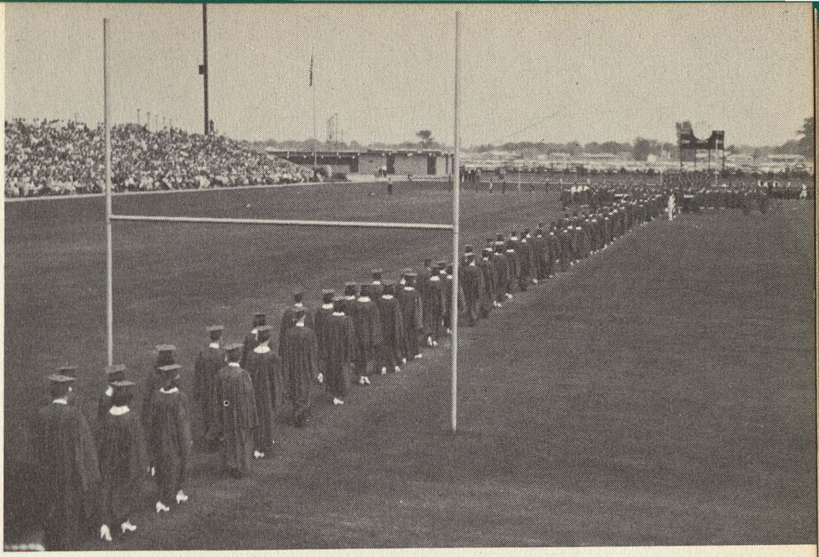
OF ACTIVITIES

Here a few Hillites take time out from their busy schedule



In fluffy skirts and white dinner jackets, they dance their cares away at Senior Prom, the last of senior activities . . .





587 seniors wear their caps and gowns to receive their diplomas and sing the Alma Mater for the last time.

Ginny Anderson, Judy Gossett, and Judy Blohm take the all-important step from high school into the future, which they have learned to cope with here at Arthur Hill.

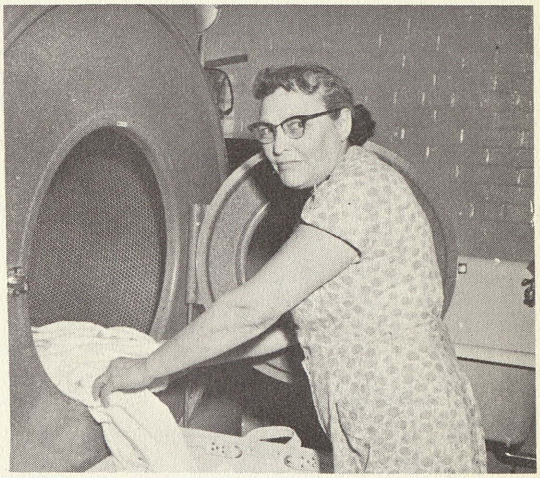
A TRIBUTE TO MISS GIBBS

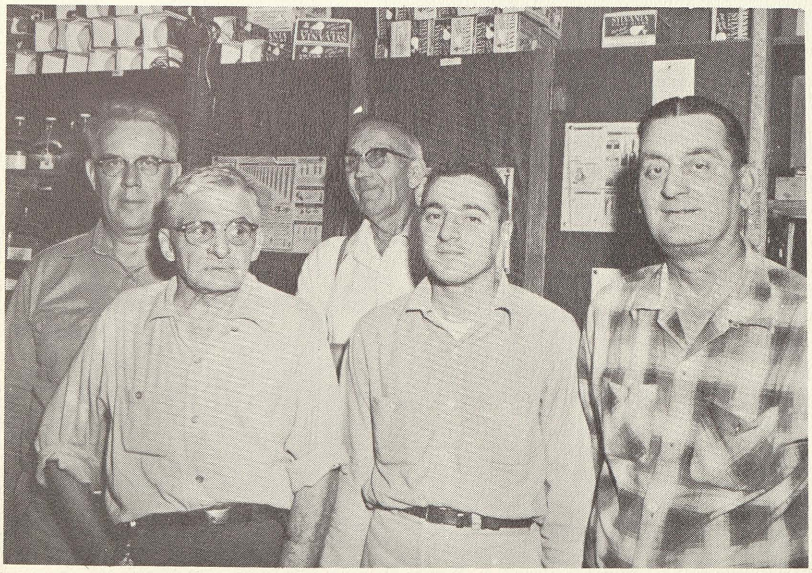
"The distance that the dead have gone
Does not at first appear,
Their coming back seems possible . . . "

says Emily Dickinson, and so it seems to us at Arthur Hill. It is hard to realize that Miss Gibbs won't be coming back. A few words must serve to express our regret, our gratitude and our appreciation for a great teacher, a real friend, an understanding listener, and a lasting influence on all the students she taught. Perhaps the thing we remember best about her is her smile. As one of her students expressed it, ". . we just loved her."

CAFETERIA——— This group, responsible for the good food served at Arthur Hill, is the cafeteria staff. They are, left to right, Elizabeth Alexander, Ester Golden, Florence Campanelli, Nora Barter, Ella Schreyer, Lydia Berg, Bertha Golden, Arlene Minard, Matilda Schmidt, and Norine Schluckbier, Manager.

CAFETERIA AND MAINTENANCE WORKERS INDISPENSABLE AT AHHS





Fulfilling the duties as head custodian at Arthur Hill is Emil Weiss. Assisting him are, Frank Nye, Bert Brackley, Chester Gabrish, and Stephen Gast.

Taking care of Arthur Hill's yard, is Alex Waier, the yardman.
Mrs. Hazel Graves launders the towels for the swimming classes.

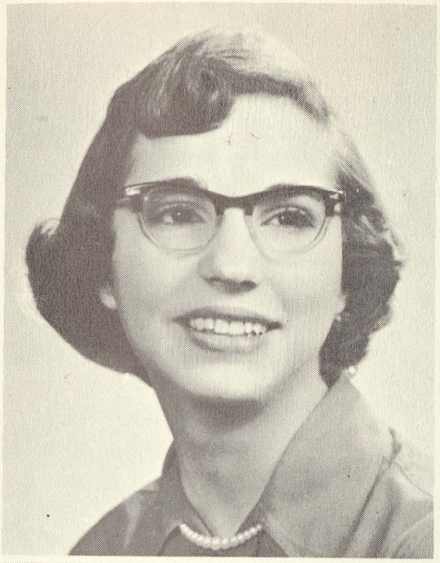
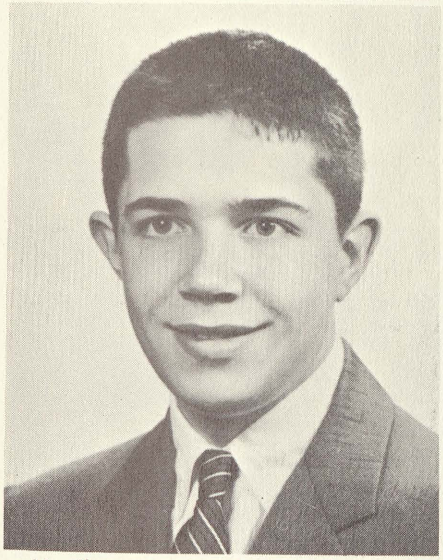
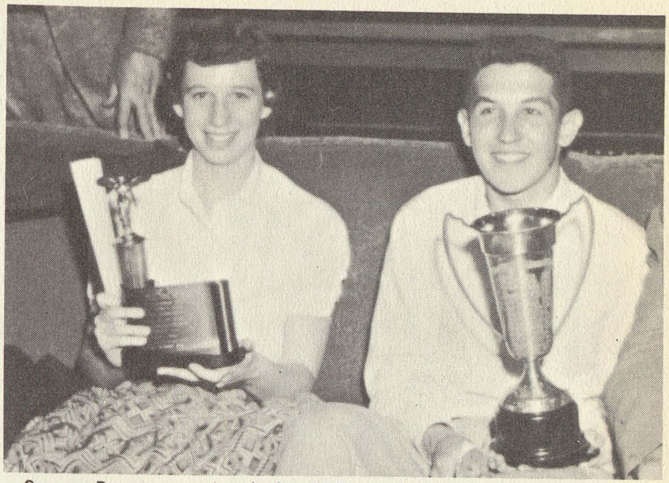
TO OUTSTANDING HILLITES





Marilyn Vogt and Tony Barnard were among finalists in the National Merit Scholarship test. They were the only Hillites that passed the first test.



Susan Beatty received the Y-Teen Trophy given by Y-Teen Club—Jim Rae was awarded the Hi-Y Cup given by Hi-Y Club. Sue and Jim were chosen because of their scholastic and leadership ability shown in their sophomore year.

CONNIE ROUSH

For her truthfulness, loyalty, courtesy, punctuality, cooperation, personality, and patriotism, Connie Roush has been chosen by the Arthur Hill senior class and faculty as the 1957 DAR Good Citizen.

Receiving recognition for various art awards at the honors assembly are Bill Specht, Dave Kabat, Lois Taylor, Howard Machette, and Gerry Alexander.

Shown here with the Junior Journalism plaque given by Quill and Scroll are Terry Gronda and Kay Beeman. They were chosen as the outstanding juniors on the News and Legenda staffs, respectively.

HALL OF FAME

Another tradition at Arthur Hill is the Hall of Fame. The senior class annually elects its outstanding members based on their contribution to the school, participation in extra-curricular activities, scholarship, personality and leadership. The election is conducted by the Legenda staff and the results are first announced in the Legenda.

UNDERCLASSMEN

For the juniors
a new dream . . . .
to be seniors,
school leaders.
Sophomores
realize their dream
to be Hillites.

Better watch that diet, girls!

This year's juniors dived right in to all of the complexities of life at Arthur Hill. From experience they knew the importance of study, the fun of participation, the advantages of club membership. They signed up for driver training, gave serious thought to future careers, received class rings and climaxed the year with the Junior Prom.

The juniors have proved themselves capable of being a terrific senior class.

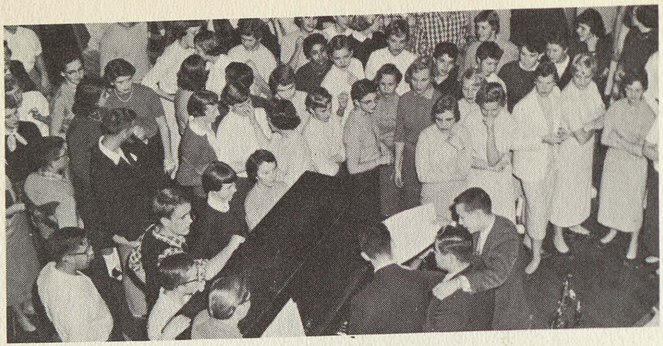
CLASS OF '58 PROUDLY WEAR CLASS RINGS



The sophomore class thought they were in a king sized maze for the first few days in September as they stumbled down the wrong halls and into the wrong classes. However they soon were making friends and participating in athletics, dramatics and clubs. October found them dancing at the Sophomore Party held annually for each class.

This year's sophomore class—the largest yet . . . 794—have proved themselves throughout the year to be loyal Hillites.

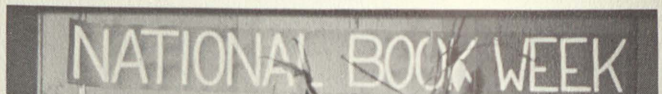
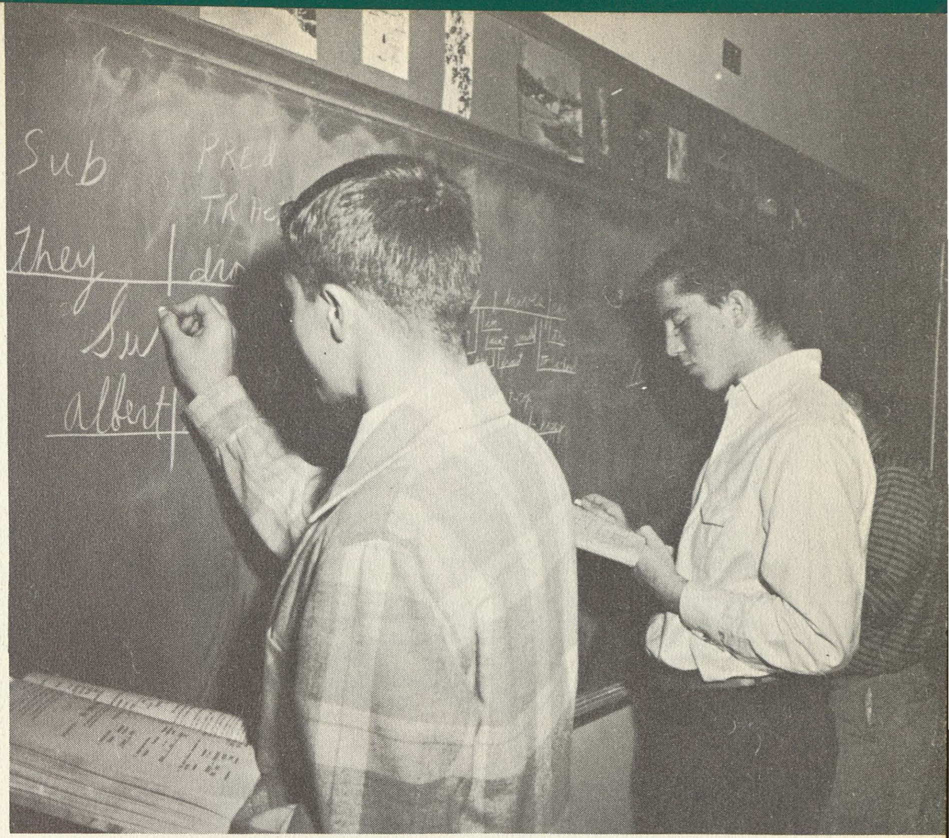
"Frailty, thy name is woman." Sharon Durham's and Martha Munck's junior English themes may never be as great as Shakespeare, but Mrs. Jerome seems to think they're pretty good.

ENGLISH OFFERS BETTER

"Unaccustomed as I am . . ." That's a statement these four could never make. Larry Uloth, Jack O'Brien, Marion Jackson, and Selma Diechman wrote the speeches for our Armistice Day assembly.

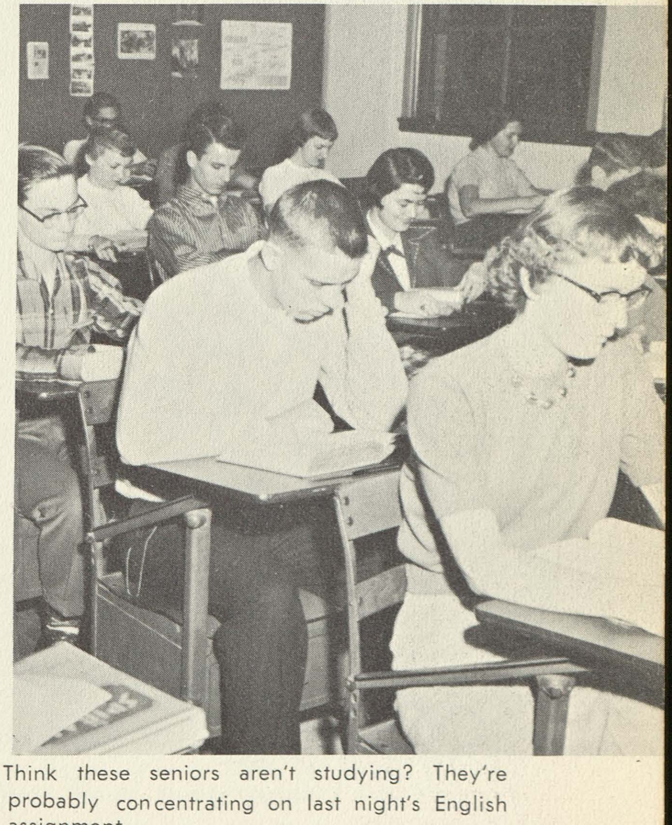


Becky Munoz, one of the many girls who help out in the library, and Miss Long are admiring one of the dolls used in the book week display.



"Though this be madness, yet there is method in it." Phil Bird appears to have the right method for diagramming sentences.

UNDERSTANDING OF OUR LANGUAGE



Think these seniors aren't studying? They're probably concentrating on last night's English assignment.

Believe it or not, about ten years from now we will probably have forgotten all about the Pribble-McCrory tests and required word lists that are an integral part of the English courses offered at Arthur Hill.

But the effect of daily grammar lessons, vocabulary drill and theme writing will be apparent in our oral and written language.

The short stories of Poe, **The House of Seven Gables, Julius Caesar, Macbeth,** and **A Tale of Two Cities**—required reading now—will long be remembered.

Such is the aim of the English department, headed by Mrs. Harvie. The English teachers emphasize not only the basic fundamentals of grammar, but also good reading habits and literature appreciation.

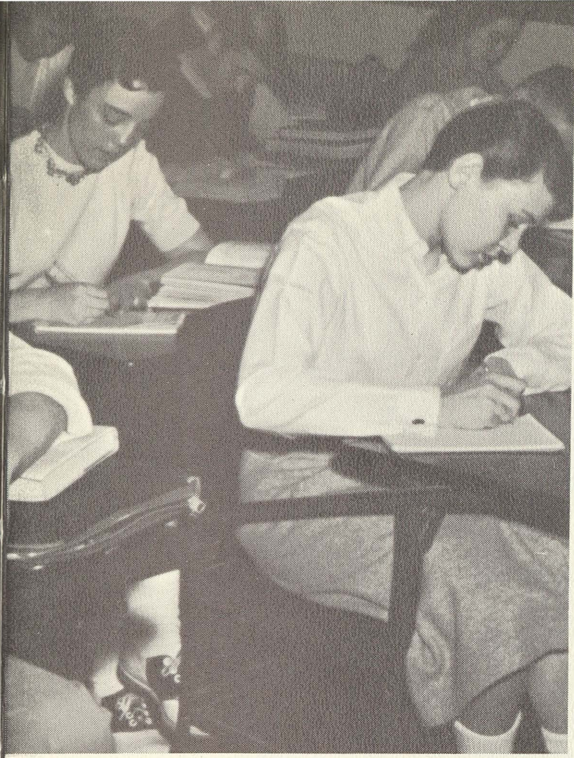
Latin can be fun. Donna Wruck seems to enjoy writing Latin on the blackboard.

LANGUAGE CLASSES

No, he's not listening to music; he's taking a French test. Bill Campbell is using one of the aids to the study of foreign languages.

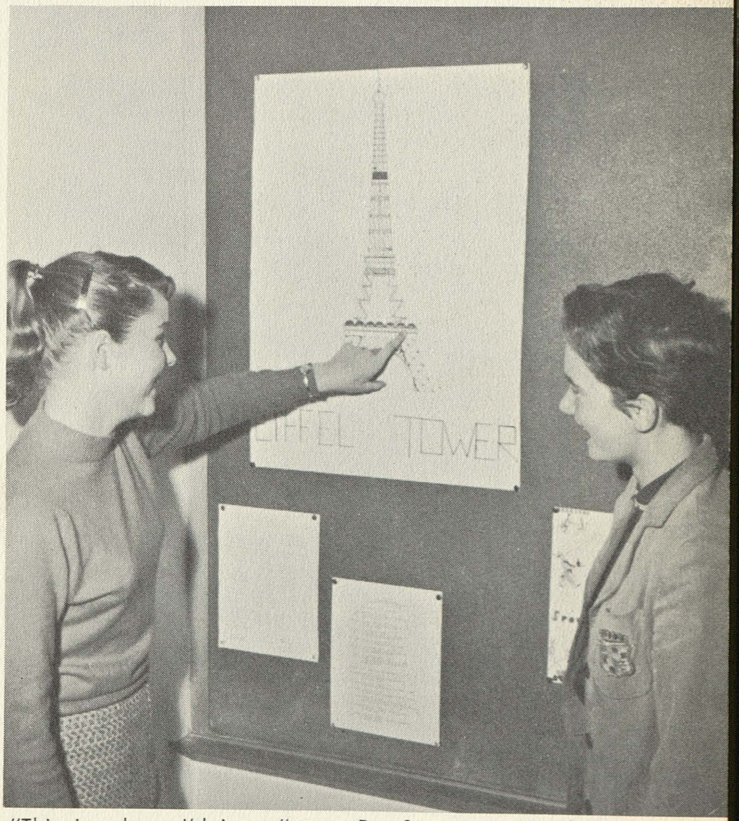


"Concentration at its best." These members of Miss Steigely's German class are taking a vocabulary test.

This is a woman. "Este es una senora," says Sharon Whitney to Marcia Zacharias and Gerry Wilhelm.

OPEN INTERNATIONAL DOORS

The value of foreign languages is increasingly apparent in today's world when nations are growing closer to each other. Our language department, headed by Miss Turner, gives everyone an opportunity to learn a language. The Latin, German, French, and Spanish courses offered at Arthur Hill will be used by future citizens of tomorrow's world in reading, traveling, and understanding other people. By graduation time any diligent senior can have completed four years of Latin, or three years of Spanish or French, or two years of German.



"This is where I'd jump," says Pat Sargent to Sandy Nelson, a fellow French student.

Ever wondered where Timbuktoo really is? Perhaps thats what Miss Stewart is pointing out to Luel Gerard and Betty Laverty.

SOCIAL SCIENCE LEADS

Man, these tests sure get you down. Mr. Stewart is giving an economics test to his class. It looks hard, doesn't it?

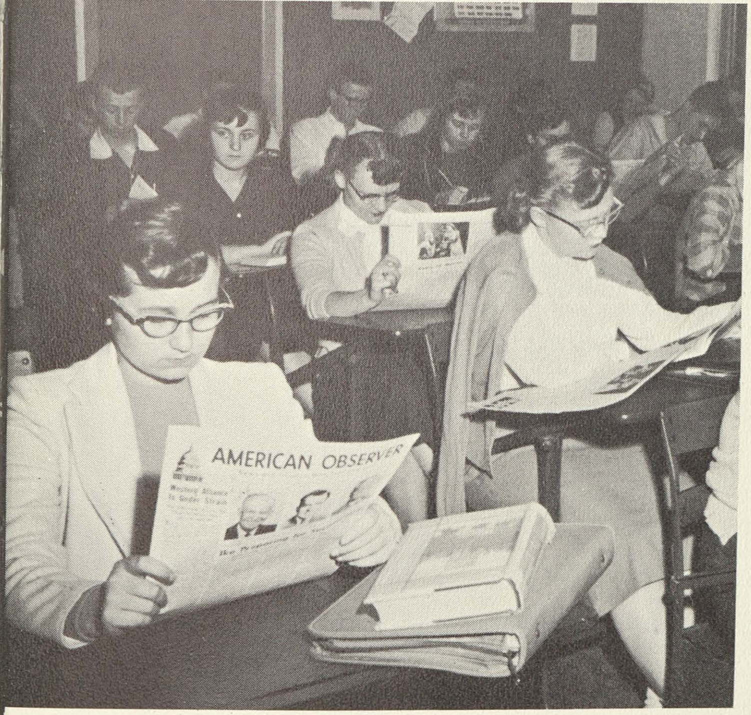
From the Dark Ages to the Atomic Age, from prehistoric man to global warfare, from Valley Forge to present-day Washington, D.C. — this is the material covered by our social science department.

In addition to the American history, government and economic courses that are required, courses such as geography and world history are offered by our social science department, headed by Mr. Schalk.

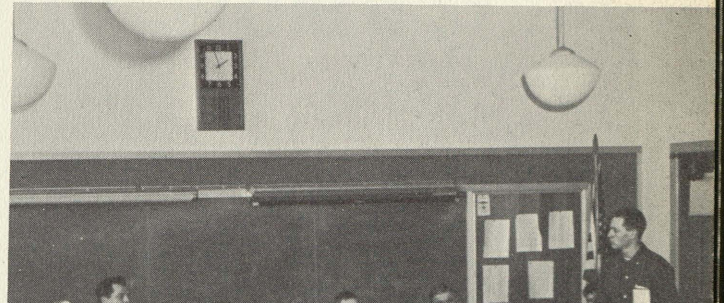
Students discuss and read about people and the times they lived in, men, great and small, the rise and fall of nations, and in general the development of civilization throughout the ages.

"Here's mine," says Jim Gossett to Nancy Hanatin as he hands her his registration slip. All Hillites were able to vote during their library period this year just before the election.

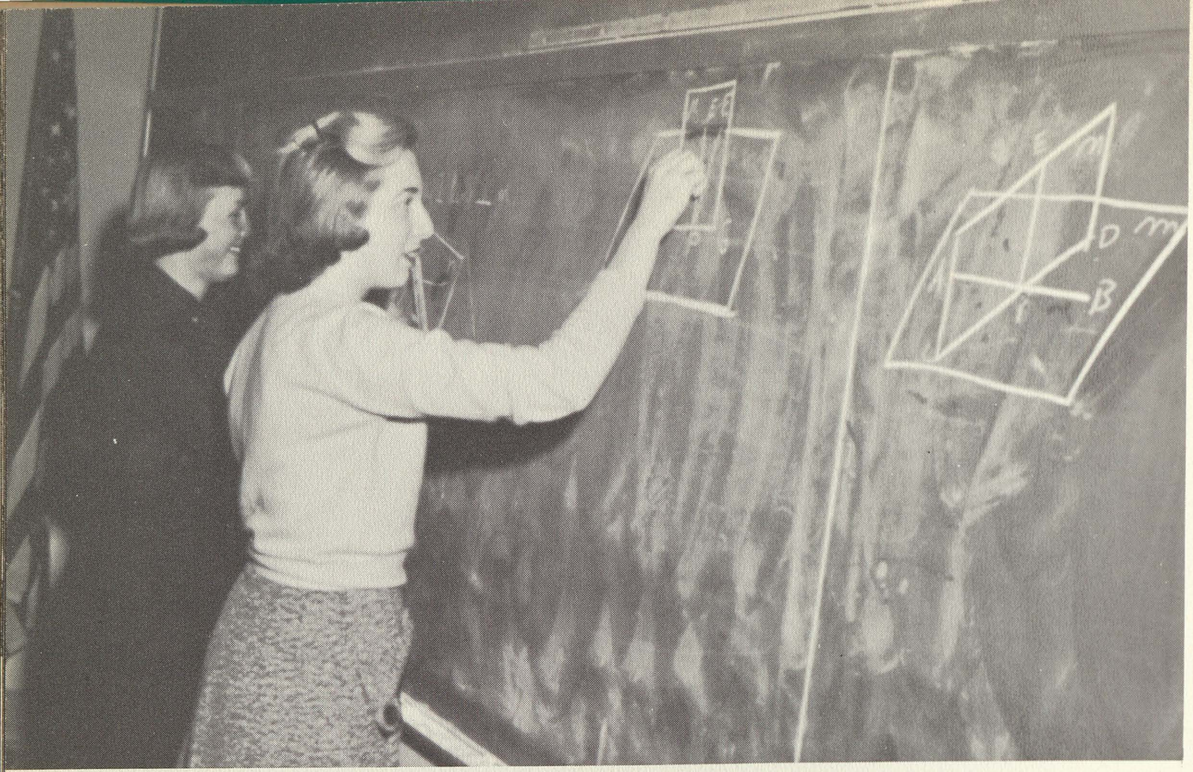
TO BETTER CITIZENSHIP



These American history students are reading the "American Observer", a weekly newspaper about national and foreign affairs.

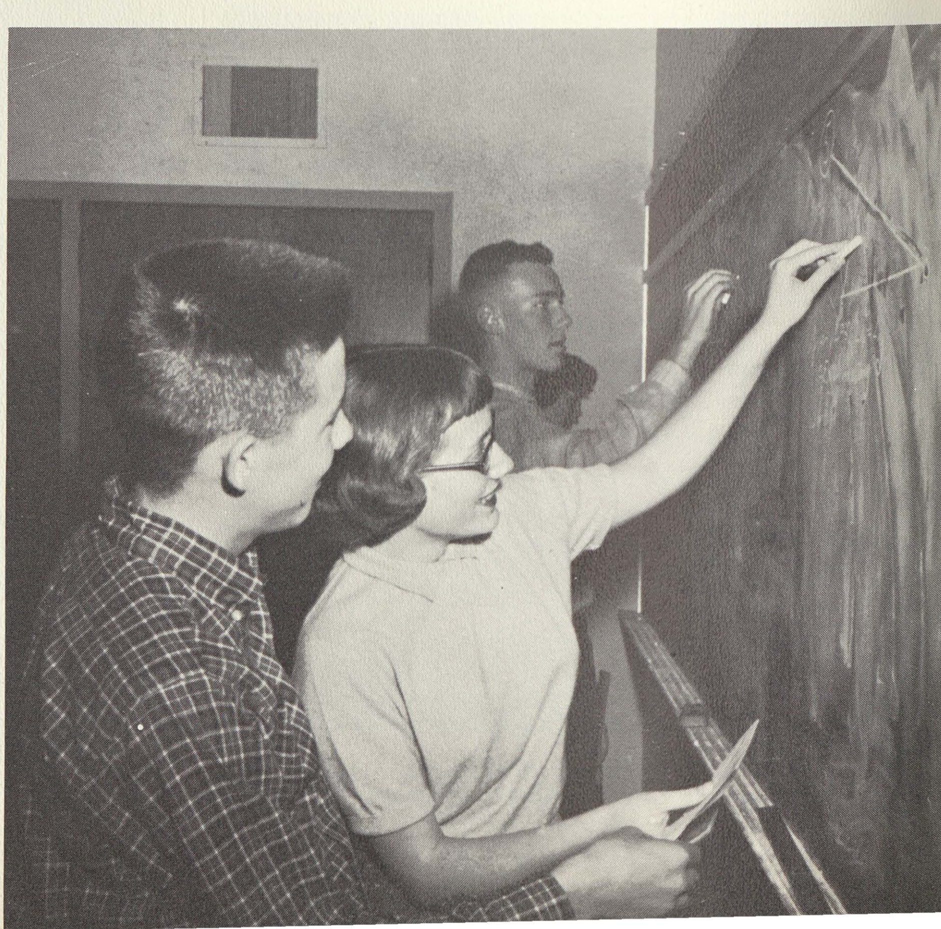


County government day in action. These Saginaw county seniors are participating in county government day.

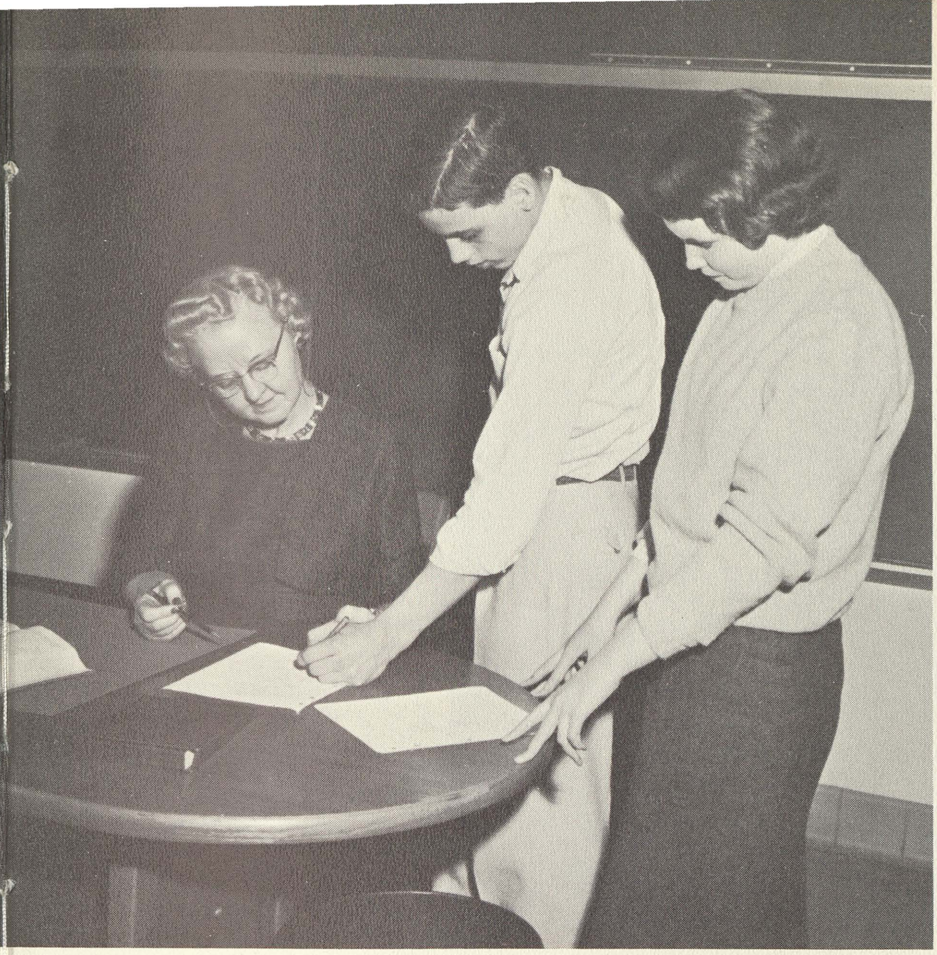


Roxanne Bloomfield and Jacquie Humphrey are putting problems in solid geometry on the blackboard.

MATH GROWS IN IMPORTANCE



Dave Helpap is helping Sue Kessel with her geometry. In the background are Bill Crane and Patsy Heffel, absorbed in their work.



Chuck Niederstadt and Vesta Kingsbury check over some algebra problems with Miss Robertson.

IN TODAY'S SCIENTIFIC WORLD

The slide rule, compass, protractor, and eraser are the signs of an advanced math student. He uses these in plane and solid geometry, algebra, and trigonometry. These courses have a common goal; to promote clear and logical thinking through reasoning and practical application.

Mr. Giesecke, head of the math department, sees to it that there is a math course to fit every student whether he wants a general mathematical background of everyday problems or the advanced technical knowledge needed by today's engineers and architects.

Aside from the regular text-book material, these classes help students to face problems and to figure out their solutions by themselves. This just goes to prove that math is something for everyone, not just for members of certain professions that require extensive mathematical training.

Ron Koehler is pointing out the different parts of this geometric figure to Lois Karls.

"Lookit the amoeba!" says Mike LaFlair to Donna Bowlsby.

SCIENCE STUDY HAS PRACTICAL

Baby sitting can be a lot of fun at times. Rose Briguglio, Stella Evans, and Gail Carey watched over these young folks in the homemaking room while their parents were voting.

These future physicists are pondering over a problem involving the linear coefficient of expansion . . . or are they?

A good chemistry student takes lots of notes during class as shown in this picture.

APPLICATIONS

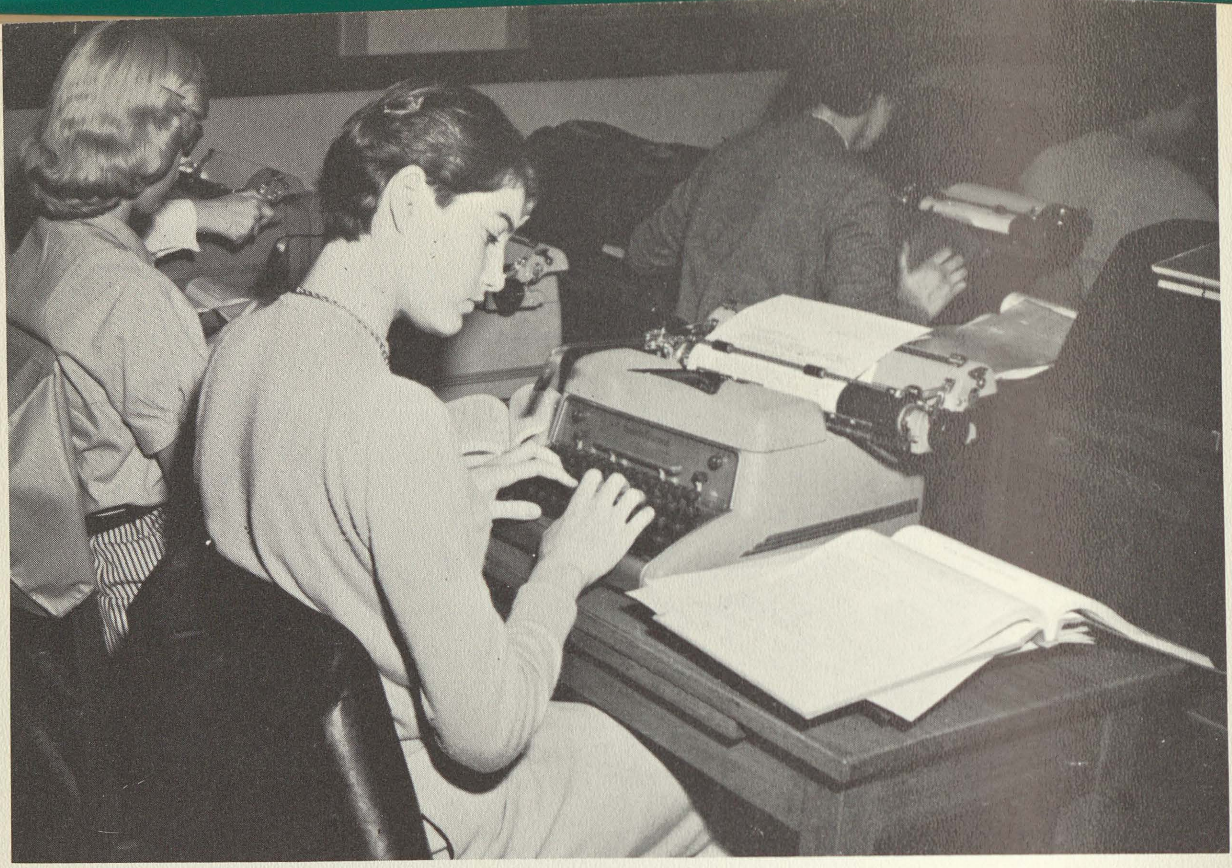
Since one year of science is a graduation requirement, this department, headed by Mr. Dersch, sees the face of every Arthur Hill student at one time or another.

One of the most interesting accomplishments of a biology student is the dissection of a frog. Probing the inner regions of friend frog helps the student understand the structure and function of the human body which is studied later.

Working with test tubes and bunsen burners, the chemistry student gets a chance to see science in action.

Our physics teachers present a course in science that explains the most common experience such as seeing color and why it snows as well as the general principles of physics and how they affect our lives.

Do all psychology students find psychology as fascinating as this?



To accomplish the speed of 65 words per minute is the ambition of Kay Wackerly.

BUSINESS EDUCATION

Jim Douglas is enjoying a trip to the student store as he buys paper from Donna Wruck. Gary Bishop and Jim Bublitz gaze intently at their purchases.

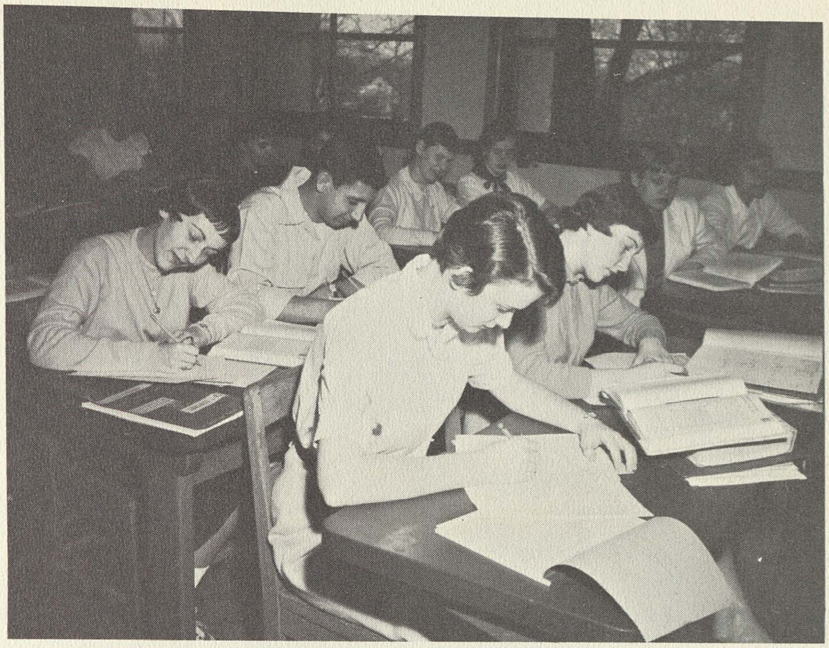
Business education students rate typing, stenography, transcription, bookkeeping, retailing and office training among their favorite courses. Miss Gunther, head of the business education department, supervises the work they do.

Typing students strive to attain the goal of 60-70 words per minute. In shorthand speed tests are given for both speed and accuracy. After taking typing and shorthand, a student can take transcription which combines the two.

In bookkeeping they learn the fundamentals of keeping balanced books for business. Actual experience in general office procedure is learned by taking a course in office training. Here students learn how to operate calculators and mimeographs. They also learn about filing, business math, and correct telephone usage.

The retailing students who manage the student store, which is open 8:00—8:25 A.M. and during 4th hour lunch, receive a paid-up S. O. for their work. In retailing they learn the fine points of good advertising displays which are donated by various Saginaw business firms for use in our business education department.

Students who take these courses are offered unusual employment opportunities while they attend Arthur Hill and after graduation. Many students graduate from Arthur Hill and go right to a job in an office or department store.



These students should know that bookkeeping is a very useful subject.

OFFERS ACTUAL EXPERIENCE

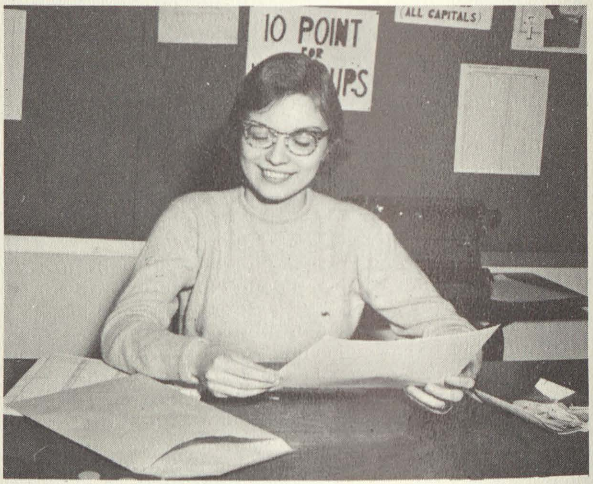
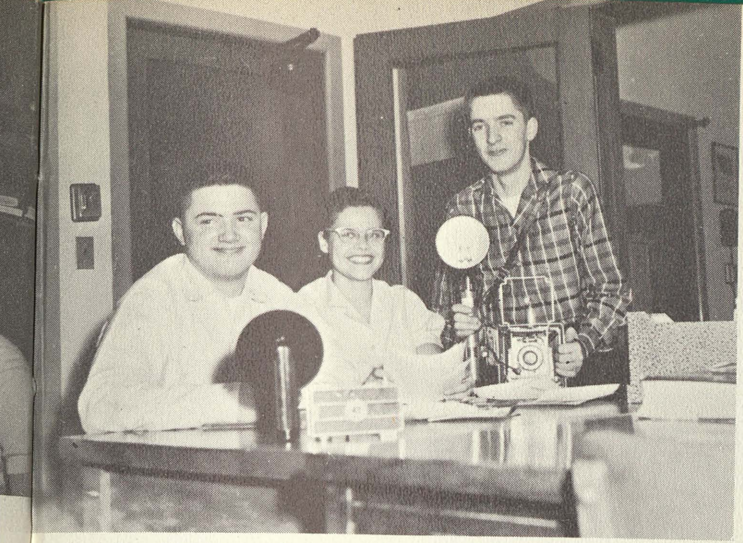
LEGENDA AND NEWS

Producing a yearbook is quite a job. Each member of the Legenda staff has a great deal of responsibility in meeting deadlines, but it is fun anyway. Planning layouts, pasting pictures, writing and typing copy, and selling advertising takes up most of the time. The staff works hard and tries to record the events of the year as completely as possible for you.

Pat Culver—editor of the Legenda



Barb Mack and Kathy Janssens are co-editors of the activities section. Judy Turner is index editor and Pam MacRae is editor of the special events section.



Carl Muehlenbeck, Ann Leesch, and Roger Olney, News photographers, add their special touches to stories with pictures.

RECORD SCHOOL LIFE

The News staff spends a large amount of time getting the paper "on the street." The news of the school is acquired by the reporters, special interest stories are written by the editorial staff, and then the photographers add their pictures to make your News complete.

Terry Gronda—editor of the News

The girls who work on the editorial page are Ute Seifert, Carolyn Allore, and Fran Newman.

Members of the sports staff are Lindsay Wright, Tom Abler, Bob Wallace, and Roger Weir.

LATIN CLUB

Over in the corner is a gruff voice bidding one hundred points. From the middle of the room comes a high pitched voice which bids two hundred points. She wins the slave. Each member enters Latin Club as a slave and is sold at an auction. He serves his master until he earns enough points to gain his freedom. To become a member a person must be enrolled in a Latin class. Each prospective member must submit a letter of application stating his wish to join and promising that he will be an interested and active member of the program. The purpose of the club is to strengthen interest in Latin and give the students the chance to enjoy and investigate the Roman ways and customs. Latin club is a member of the Junior Classical League.

WE SEEK CULTURAL ENLIGHTENMENT

Members of the Arts-Dramatics club give a play for the rest of the members.

ARTS - DRAMATICS

Members of the Arts - Dramatics Club receive an understanding of drama and have the opportunity to develop and express any dramatic ability. A letter of recommendation is required for membership. Occasionally students present plays for various outside organizations. Participating in the Christmas Pageant are Art-Dramatics members. In the spring an annual one-act play tournament is presented. It includes three plays, one with seniors, one with juniors, and one with sophomores.

TRI-M

Much of the material for our assemblies comes from the Modern Music Masters. Tri-M members also sponsor a Christmas Tea for the school faculty. For membership a student must have a "B" in music and at least a "C" average. Also he must possess an excellent character. A formal initiation, to which parents and faculty members are invited, is conducted by the club officers. Tri-M fosters a greater and continued interest in band, orchestra, and choir. It also increases and advances the spirit of good music and musical knowledge.

Music, music, music, is played by Tilda Norberg, Carol Stuart, Carol Larson, Carol Ann McDonald, and Leah Vorce for entertainment of the Tri-M members.

CRUCIBLES AND ALCHEMISTS

To belong to these clubs is an honor because a strong "B" in chemistry and a "B" or above in all other subjects is required. Alchemist is for girls and Crucibles for boys. Prior to becoming a member a nominee must pass a quiz and write a theme pertaining to chemistry. The reason for the functioning of these clubs is to stimulate further interest in chemistry, to acquaint members with fields open to them along this line, to read and discuss professional articles, and to give them additional lab work not possible otherwise. The clubs take trips through plants in the valley and have a clothing pick-up for needy families.

QUILL AND SCROLL

Quill and Scroll is a national honor society for high school journalists. Arthur Hill's group is known as the Treanor Chapter. Eligibility for membership is determined by the number of inches one has completed on the News and the number of pages one has done on the Legenda. Among the many activities of Quill and Scroll is the Christmas Tea which is given annually for the News staff and the Legenda staff. Members co-sponsor the Honor Alumnus recognition. A scrap book is kept of the activities of the club. Miss Crump is sponsor.

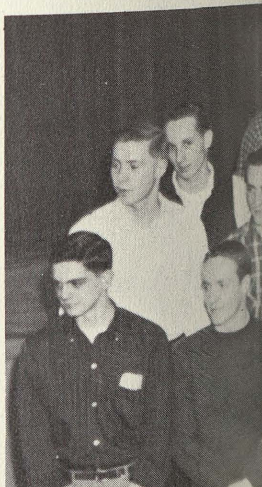
HI-Y

"To create, maintain, and extend through the school and community, high standards of Christian Character" is the aim of the Hi-Y Club. Hi-Y is affiliated with the Y.M.C.A. The dances after some sports events are sponsored by Hi-Y. Selling at games and working for the community are outside activities for members. Every year Hi-Y Club presents a cup to the outstanding sophomore.



Telling of their experiences at Y-Camp in a play are Sue Gilbert, Pam MacRae, Sandra Cornish, Nancy Vondette, and Marcia Rosenberg. The play was written by Marcia Rosenberg and Nancy Vondette.

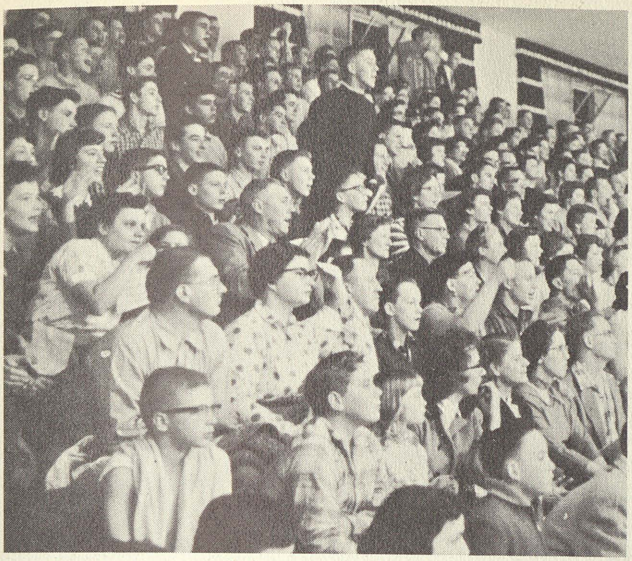
Arthur Hill .... FIRST

STATE MEET

Arthur Hill .... FIFTH

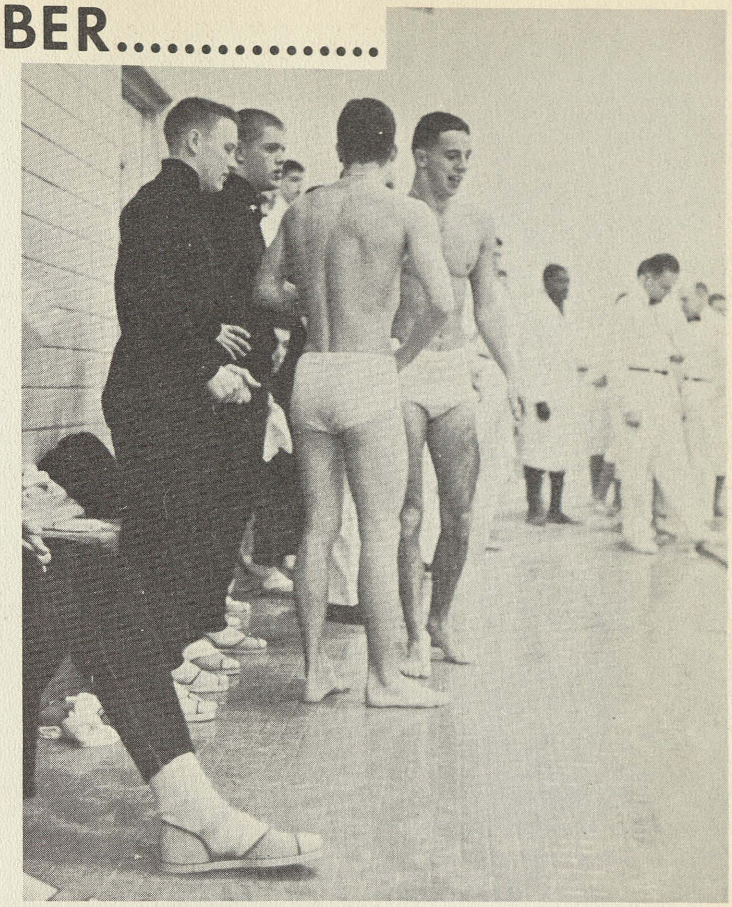
The tonic of a new pool was more than enough to ignite the Arthur Hill swimming team. From a close shave in the Arthur Hill Invitational Swimming Relays, coach Gainey's tankers developed into a powerful squad that completely swamped league opponents in the Valley Championships. Hillite stars accounted for several new records during the season. Ron Gage set pool and Valley backstroke times of 1:01.5 and 1:02.6. Ron also shattered the pool and Valley records in the individual medley. His clockings were 1:37.1 and 1:38.3. A three year letter winner, Ernie Dewell, established a Bay City pool record of 2:02.0 for the 200 yard freestyle and pool and Valley records of 54.4 and 54.7 for the 100 yard freestyle. Another senior, Chauncey Johnson, set a pool and Valley record of 2:01.1 in the 200 yard freestyle.

A NIGHT TO REMEMBER................



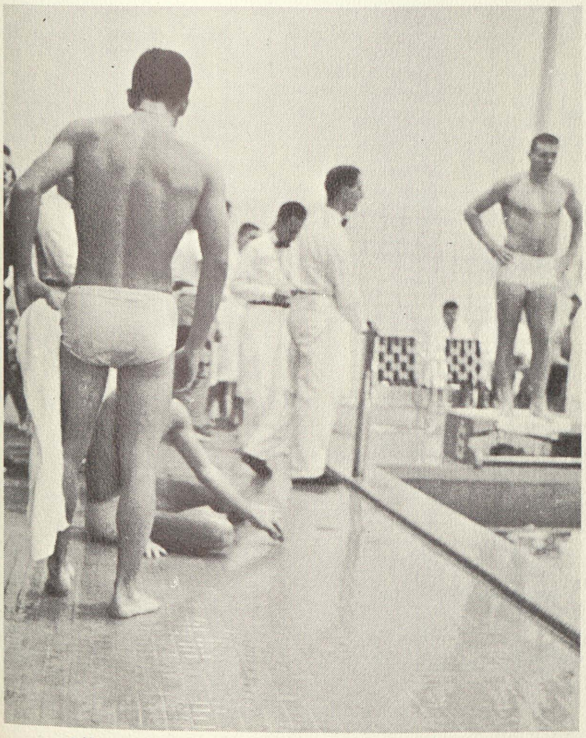
This is the crowd that watched a dream come true.

It was a great night for the Arthur Hill swimming team. As a screaming crowd of 1100 looked on, the Hills christened their new pool by winning the first annual Arthur Hill Invitational Relays. It took a crucial first place in the last event to insure victory. With excitement at fever pitch, the Hillite 200 yard freestyle relay team of Ernie Dewell, Chauncey Johnson, Jim Williams, and Ron Myers out swam the other entries to clinch the meet. Thus the Arthur Hill tankers presented Coach Dave Gainey with an unforgettable momento of our first meet in the new pool . . . .

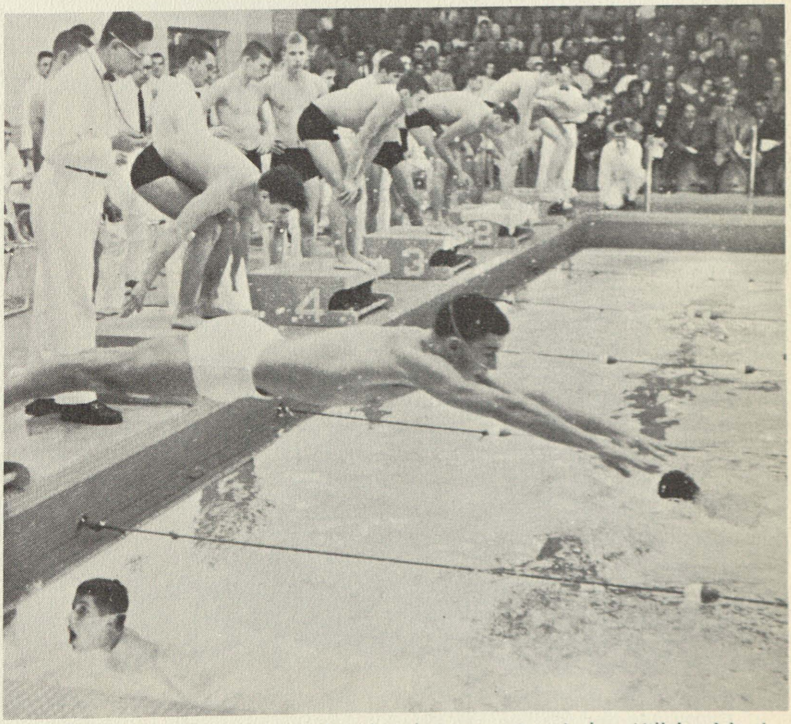


Emotion of Arthur Hill swimmers reflects strain of meet.

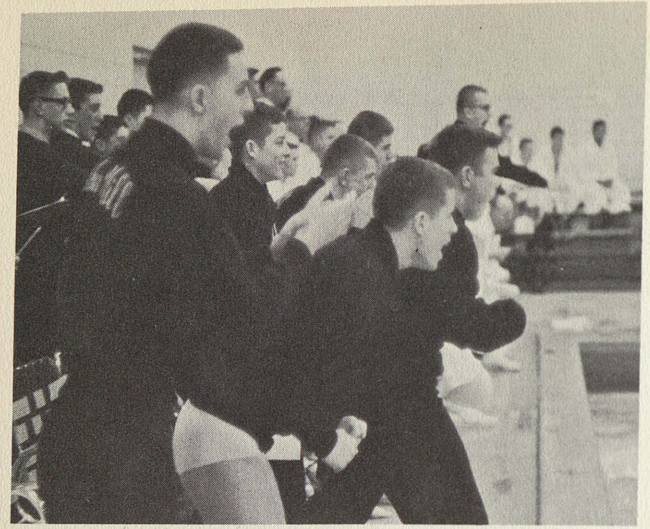
VICTORY IN RELAYS!!



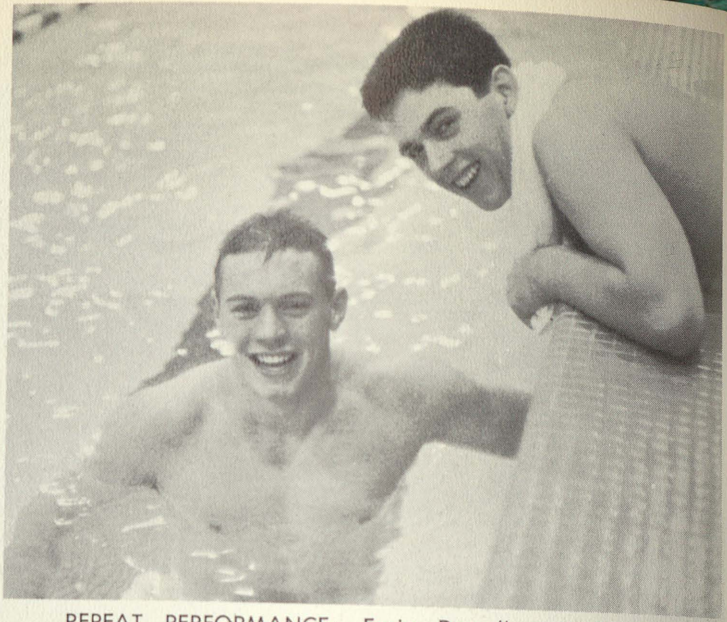
All eyes are on Hillite star Ernie Dewell as he prepares to anchor the winning 400 yard freestyle relay.



Captain Tom Bear adds to the already impressive Arthur Hill lead built up by Jim Williams.



Overcome by excitement, the Hillite swimmers leap to their feet during a close race.



REPEAT PERFORMANCE: Ernie Dewell and Chauncey Johnson smile after placing 1-2 in the Valley 400 yard freestyle for the second consecutive year. Both went on to smash records in other events. Chauncey later placed second and third in the state 400 and 200 yard freestyles.

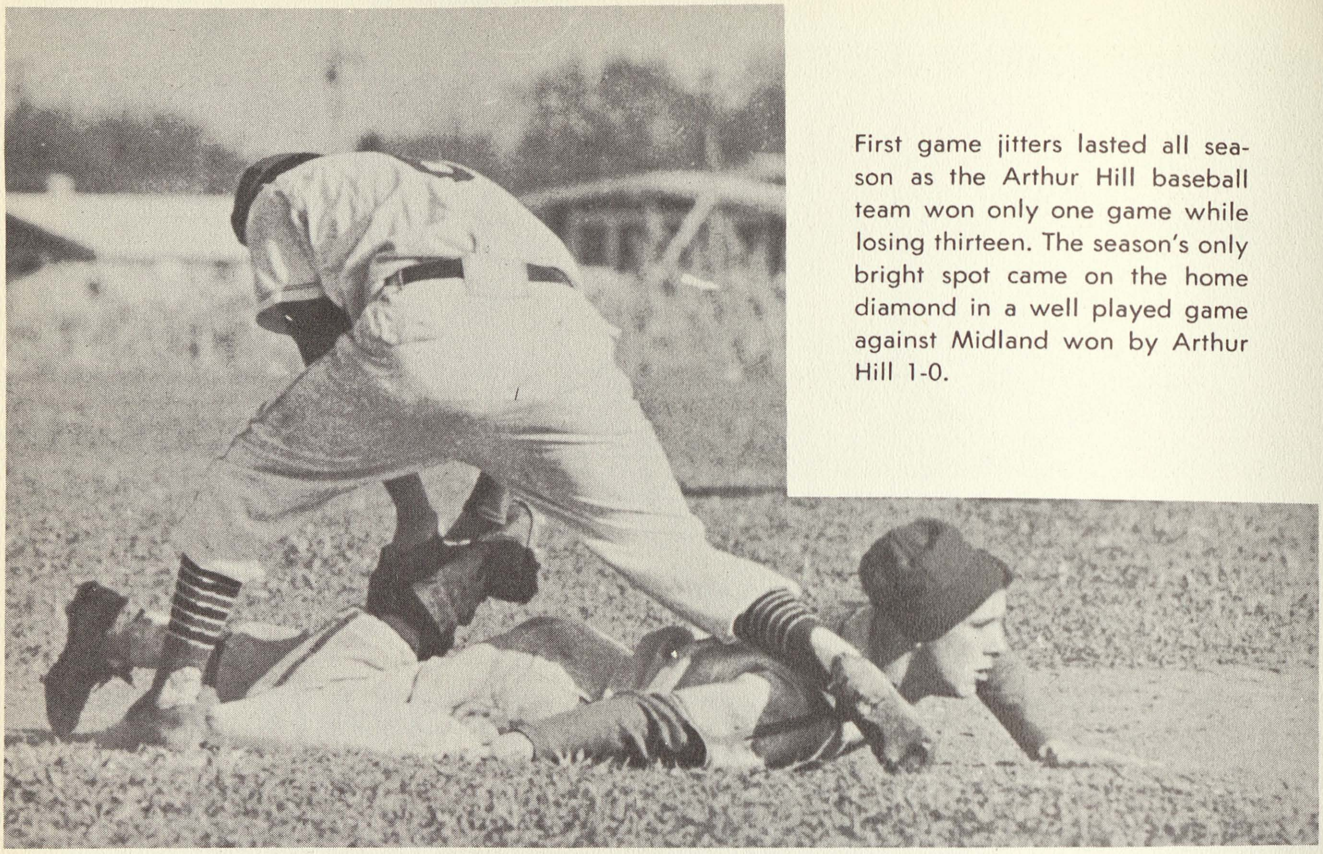
Bob Graves was instrumental in the Hillite's second consecutive undefeated dual meet season.

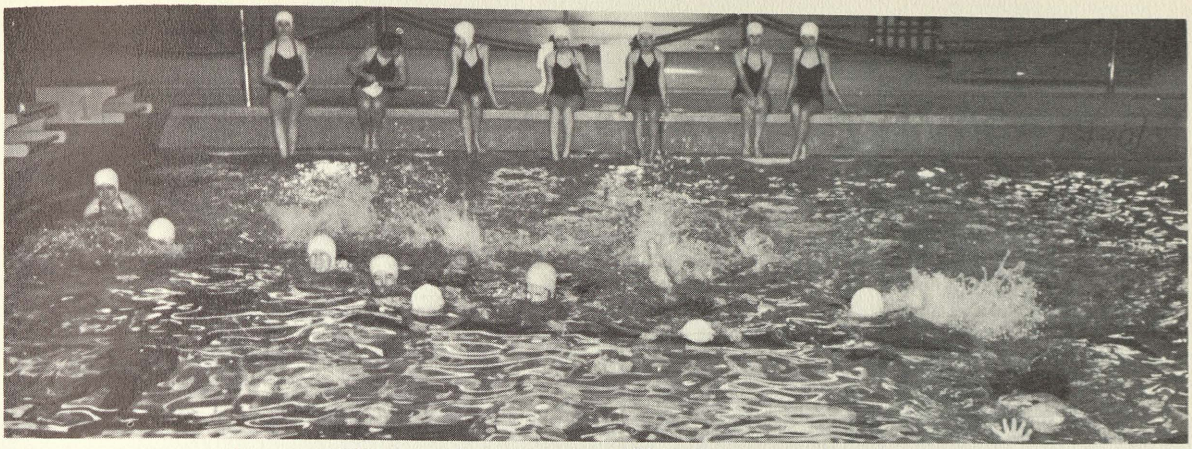
RUNS, HITS, AND ERRORS

First game jitters lasted all season as the Arthur Hill baseball team won only one game while losing thirteen. The season's only bright spot came on the home diamond in a well played game against Midland won by Arthur Hill 1-0.



Whoops! Jim Draves slides back to second head first as a Flint Central pick-off play is too late.

Yer out! Hillite third sacker Jerry Bailey puts the tag on an unidentified Saginaw High player in a close play at third base.

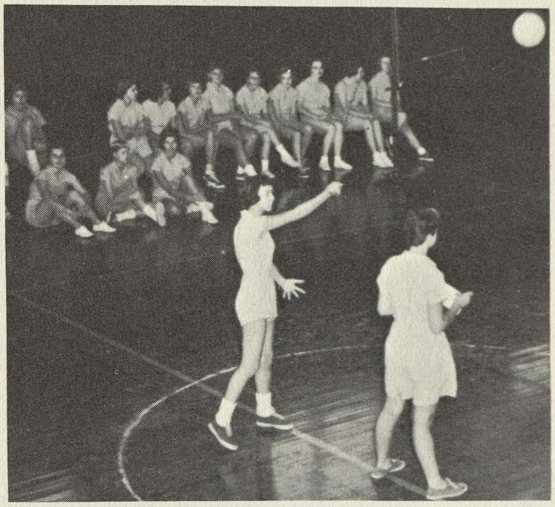


Like ducks in a pond, eager Hillites develop swimming skill in the new pool.

GYM STUDENTS GET IN THE SWIM!

Swimming lessons are a new attraction for Hillites this year. Classes composed of beginning, intermediate and advanced swimmers are divided into groups which swim every four days, with boys and girls alternating swimming days. Instructing the classes for boys is Mr. David Gainey, and for the girls, Miss Marilyn McBride.

Sophomores and juniors who are required to take gym, alternate each day with Art of Living. The girls gym classes are instructed by Miss Margaret Doidge and Miss Marilyn McBride, while the boys' classes are instructed by Mr. Glen Mason.



Sophomore girls demonstrate one of the required skill tests in girls' gym.

Junior boys relax with a fast game of basketball before going through their calisthenics.

SOUTH

INTRAMURAL VOLLEYBALL CHAMPS
First row: J. Foss, M. Asman, S. Weiss, N. Williams, D. Benjamin, second row: B. France, J. Phillips, V. Johnson were the winners of the afterschool intramural volleyball teams.

The girls' intramural teams play after school twice a week. They engage in volleyball, basketball, and baseball. The gym classes have a play off between classes during and after school for their final champion.

YANKEES DEFEATED

GYM CLASS VOLLEYBALL CHAMPIONS
The champs of the playoffs of the girls' gym class are first row: B. Greenberg, M. Greger, B. Dusek, J. Rohloff, F. Lamia, second row: J. Richter, J. Metiva, G. Staudacher, T. Norberg, P. Brown, J. Blasius, V. Godina.

DOES IT AGAIN

Each advisory furnishes a basketball team for the intramural games. North teams and south teams compete separately to determine the best team from each half of the school. The final deciding game is played off in the gym with each student cheering on the representative team from his half of the building. This year Miss Francis's advisory Rebels defeated Mr. Vondette's Yankees.

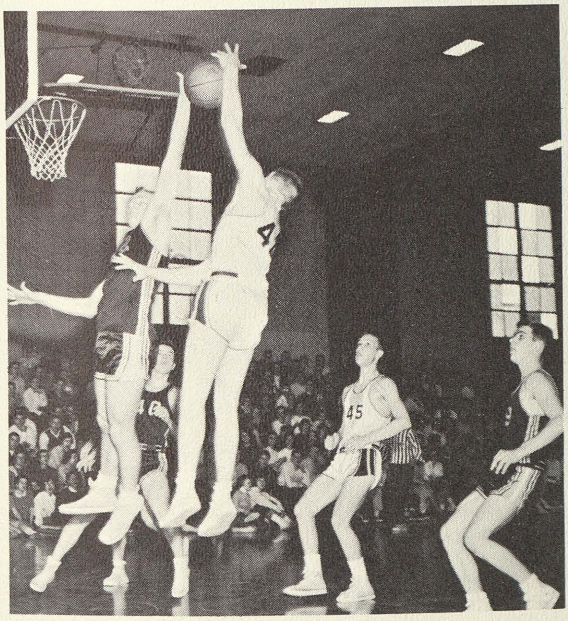
The winning intramural boys' basketball team members are first row; P. Chenney, J. Draves, J. Findlay, second row; R. Clark, G. Colby, and S. Drew. These boys won the championship for Miss Francis's advisory, and the south half of the school.

FOR THIRD STRAIGHT YEAR



Roger Clark tries for two, but Bob Wells quells the rebel charge.

NORTH VICTORS
The victors of the north half of the school were the team of Mr. Vondett's advisory: First row: L. Toft, D. Townes, second row: J. Wendling, B. Wells, Mr. Vondett, T. Varner, R. Wight.

what next?

It's a pretty important decision, young lady — choosing the right job. You'll want to work in pleasant surroundings — in light and airy offices with modern equipment.

And now that you're out of school, you'll expect to meet new friends where you work — young people you'll like and with whom you can enjoy your leisure time. (And how about a vacation with pay?)

Then there's the matter of a paycheck — it'll be nice to count on a steady income, a salary that's good from the start and keeps getting better with regular increases.

There's a job like this waiting for *you* at the telephone company!

You might want to be a telephone operator or a teller, a cashier or a clerk — those are just some of the many interesting jobs Michigan Bell has for bright young high school graduates like yourself. And there's a chance to advance in all of them.

You don't need experience to get a telephone job, and you'll earn a good salary, even while you're learning. ***What next?*** Why not visit Michigan Bell's Employment Office? We'll be looking for you!

A dream into a reality . . .
We admit now that there were days
we doubted—dispaired even
but now the 1957 Legenda
has become a reality.
First a sincere wish
that in these pages
you have found
the year 1957 at Arthur Hill
presented in word and picture
as you want to remember it.
Then a thank you
to all who make the book possible;
Mr. Brock for his guidance,
Miss Peterson her her "date book",
Mr. Werkema and his staff for excellent cooperation,
Edwards Brothers for efficient service,
Saginaw news for a few vital action shots,
The office staff for notices and school lists,
All teachers and students for their interest and help,
A wonderful staff for their diligence
And finally Miss Murphy, adviser, for p-a-t-i-e-n-c-e.
